DIRECTORS' REPORT

For the six month period ended 31 December, 2013

To our valued Unit Holders,

On behalf of the Board of Directors, I am pleased to present the Financial Statements of IGI Islamic Income Fund (IGIIIF), for the six months ended 31 December, 2013. The Financial Statements of the Schemes prepared by the Management Company present true and fair view of the state of affairs of the Schemes and results of their operations, cash flows and movement in unit holders' funds.

Economic Review

The economy has shown strong growth in1QFY14 GDP growth clocking in at 5%, with Large Scale Manufacturing up by 6.8% in 1HFY14. The energy sector circular debt issue has been significantly reduced to a large extent.

While 2QFY14 inflation was higher than the preceding quarter, average CPI remained comfortably below the discount rate of 10% for the 1HFY14.

Six month Current account deficit numbers stood at USD1, 589mn as opposed to USD83mn witnessed in 1HFY13. Lower amount received on account of the Coalition Support Fund (CSF) reimbursements during the period accounted for the bulk of the increased deficit. Some respite has come for the balance of payment position due to improvement witnessed in financial account which stands at negative USD16mn versus a negative USD562mn in the same period last year, due to higher bilateral financing. The IMF's remains satisfied with Pakistan's progress on the reform agenda which has paved the way for reviving assistance from multilateral agencies project based lending from World Bank and ADB is expected to be ramped up from CY14 onwards.

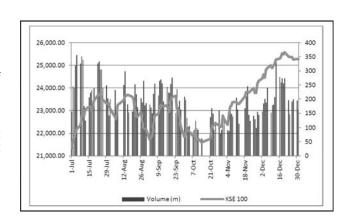

Provisional results compiled by the FBR showed a rise of 16% in revenue collection to reach PKR1,031bn during 1HFY14 as against a collection of PKR889bn during the same period last year. SBP reserves touched a multi-year low in December 2013 to reach USD3.1bn, which is less than one month of import cover. Consequently, the rupee devalued by 6% in the 1HFY14. The PKRs sudden devaluation appears to be more speculation driven as exports have increased along with remittance flows over the first six months of the fiscal year.

Capital Markets Review

EQUITIES REVIEW

The KSE-100 gave another strong performance in 2QFY14 with a 15.7% return for the period, a sharp increase over the 1QFY14 return of 3.9%, taking the cumulative return for 1HFY14 to 20.3%.

The market rally was quite broad based during the period with some illiquid scrips showing the greatest price appreciation. Food Producers, Personal Goods / Textiles, Cements, Oil & Gas, and Commercial Banks were the leading performers.

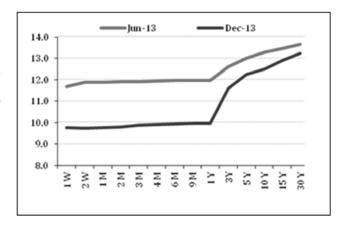

Going forward, the KSE-100 Index will respond to developments on the macro front as well as the upcoming Federal Budget due to be announced in May 2014.

MONEY MARKET REVIEW

After witnessing monetary easing of 5% (14% to 9%) over the last three years, SBP commenced monetary tightening in FY14 due to inflationary pressures and external side issues. The discount rate was increased by 50bps to 9.5% in September and again by another 50bps in the November monetary policy review.

Thereafter, lower than expected inflation numbers, check on the exchange rate, and a generally improving macro-economic picture have led to a revised outlook on interest rates for the remaining part of the current fiscal year, with expectations of rates staying stable at current levels.

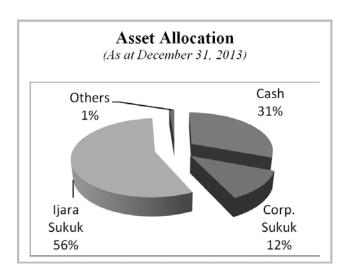

Fund Operations and Performance

IGI Islamic Income Fund

IGI Islamic Income Fund generated a return of 5.50% p.a. while the benchmark generated an average return of 6.65% p.a. for 1HFY14.

The allocation was aimed at supporting the overall yield. The Fund underwent a decrease in yield owing to volatility on Ijara Sukuk holdings, while the lower fund size caused the expense ratio to rise considerably.

Due to absence of quality corporate Sukuk avenues, the fund remained focused predominantly on GoP Sukuks and Islamic Bank Deposits. The Fund plans to maintain stable returns and invest in good quality Sukuks aimed at increasing the overall yield of the portfolio.

The Fund holds a stability rating of 'A+ (f)' (Single A Plus - fund rating) by Pakistan Credit Rating Agency (PACRA). The rating indicates a strong capacity to manage consistent returns with low risk.

AUDITORS' REPORT TO THE UNIT HOLDERS ON REVIEW OF INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of IGI Islamic Income Fund (the Fund) as at 31 December 2013, and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of cash flows, condensed interim distribution statement and condensed interim statement of movement in unit holders' fund for the half-year then ended together with the notes forming part thereof (here-in-after referred to as the "interim financial information"). Management Company is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Emphasis of matters

We draw attention to:

- a) note 1.2 to the condensed interim financial statements. As more fully explained in the said note, a single unit holder holds 95.21% of the investment (units in issue) of the Fund as of 31 December 2013. Therefore, the future operations of the Fund are dependent upon the continuity of the said unit holder; and
- b) note 1.3 to the condensed interim financial statements. As more fully explained in the said note, the fund size, as at 31 December 2013, was below the minimum required limit as per the NBFC Regulations 2008

Our conclusion is not qualified in respect of the above matters. Chartered Accountants

FOR THE HALF YEAR ENDED DECEMBER 31, 2013 (UN-AUDITED)

1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 IGI Islamic Income Fund (the Fund) was established under the Non-Banking Finance Companies (Establishment and Regulation), Rules 2003 (the NBFC Rules) and was authorised as a unit trust scheme by the Securities and Exchange Commission of Pakistan (SECP) on July 01, 2008. It has been constituted under a Trust Deed, dated July 03, 2008 between IGI Funds Limited, a company incorporated under the Companies Ordinance, 1984 and Central Depository Company of Pakistan Limited (CDC) as the Trustee, also incorporated under the Companies Ordinance, 1984.

During the current period, on October 15, 2013, the management rights of the Fund were transferred from IGI Funds Limited to Alfalah GHP Investment Management Limited (the Management Company) by means of Securities & Exchange Commission of Pakistan (SECP) sanctioned order No. SCD/NBFC-II/IGIFL & AFGHP/742/2013. The registered office of the Management Company is situated at 12th Floor, Tower A, Saima Trade Towers, I. I. Chundrigar Road, Karachi.

The Fund is an open ended fund and offers units for public subscription on a continuous basis. The units are transferable and can also be redeemed by surrendering to the Fund. The units are listed on the Lahore Stock Exchange Limited (LSE). The Fund was launched on December 03, 2009.

The Fund is categorised as a shariah compliant (Islamic) scheme as specified by SECP and is subject to the guidelines prescribed by SECP.

The 'Title' to the assets of the Fund is held in the name of CDC as Trustee of the Fund.

The Pakistan Credit Rating Agency Limited (PACRA) has assigned a rating of A+(f) to the scheme in its rating report dated January 22, 2013.

8.1 As per the requirements of the Finance Act 2013, Federal Excise Duty (FED) at the rate of 16% on the services of the Management Company has been applied effective June 13, 2013. The Management Company is of the view that since the remuneration is already subject to provincial sales tax, further levy of FED results in double taxation, which does not appear to be the spirit of the law. The matter has been collectively taken up by the Management Company jointly with other Asset Management Companies and Central Depository Company of Pakistan Limited on behalf of schemes through a Constitutional Petition filed in the Honourable Sindh High Court (SHC) during September 2013 which is pending adjudication. However, the SHC has issued a stay order against the recovery of FED. In view of the pending decision, as a matter of abundant caution, the remuneration of the Management Company charged to the Fund during the period includes the imposed FED.

9.1 Provision for Workers' Welfare Fund

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the 'WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication.

In August 2011, the Lahore High Court (LHC) issued a judgment in response to a petition in a similar case whereby the amendments introduced in the Workers' Welfare Fund Ordinance, 1971 through Finance Acts 2006 and 2008 have been declared unconstitutional and therefore struck down. However, during March 2013, the larger bench of the Honourable High Court of Sindh issued a judgment in response to various petitions in similar cases whereby the amendments introduced in the Workers' Welfare Fund Ordinance, 1971 through Finance Acts 2006 and 2008 respectively (Money Bills) have been declared constitutional and overruled the judgement passed by a single-member Lahore High Court issued in August 2011.

MUFAP's legal counsel is of the view that the stay granted to mutual funds in respect of recovery of WWF remains intact and the constitutional petition filed by the mutual funds / Collective Investment Schemes to challenge the Workers' Welfare Fund contribution has not been affected by the Judgment passed by the larger bench of the Honourable High Court of Sindh.

However as a matter of abundant caution, with effect from July 01, 2013, the Fund has commenced making provision in respect of contribution to WWF prospectively. Accordingly, a provision for WWF amounting to Rs.0.051 million has been made in these financial statements.

The aggregate unrecognised amount of WWF upto June 30, 2013 amounted to Rs.2.247 million. As per the Share Purchase Agreement (SPA) signed by IGI Investment Bank Limited (the Bank) and Alfalah GHP Investment Management Limited (AGIML), the Bank has agreed to indemnify AGIML against unrecognised WWF contribution exposure in the Fund upto June 30, 2013.
