VISION STATEMENT

"To be the leading wealth management firm by offering global investment advice trusts services, family estate planning etc for all Pakistani clients whether based in Pakistan or abroad".

DIRECTORS' REPORT TO THE UNIT HOLDERS FOR THE YEAR ENDED JUNE 30, 2023

On behalf of the Board of Directors, I am pleased to present the Financial Statements of Alfalah GHP Islamic Stock Fund (AGISTF), Alfalah Islamic Stable Return Fund Plan-1, Alfalah GHP Islamic Income Fund (AGIIF), Alfalah GHP Islamic Prosperity Planning Fund (AGIPPF), Alfalah GHP Islamic Dedicated Equity Fund (AGIDEF), Alfalah GHP Islamic Value Fund (AGIVF), Alfalah Islamic Rozana Amdani Fund (AIRAF), Alfalah Islamic Money Market Fund (AIMMF) and Alfalah GHP Islamic Prosperity Planning Fund (AGIPPF-II CP 6) for the year ended June 30, 2023.

Economy Overview

Government projects GDP growth for FY23 to clock at 0.29% compared to 6.10% in FY22. GDP growth remained subdued mainly because of a) slowdown in economic activity fueled by import restrictions imposed by the Central Bank in order to control overheating of the economy and to protect the fast depleting forex reserves and b) mass destruction of major agriculture crops and livestock caused by floods, resulting in unprecedented high inflation and interest rates.

Ample decline in imports of 27% helped to curtail the leakages in external account, as CAD for FY23 stood at USD 2.56bn compared to a deficit of USD 17.48bn in same period last year (down substantially by 85%). Moreover, remittances, which remained a key support in the backdrop of travel restrictions, started to lose pace in FY23, as monthly remittance averaged at USD 2.2bn compared to USD 2.6bn in FY22.

On account of huge external debt repayments, forex reserves fallen massively to USD 9.18bn at June end compared to USD 15.45bn at the end of last year. Exchange rate faced immense pressure as PKR depreciated by almost 28% to 285.99 from 204.85 on June 30, 2022. In May 2023, PKR slipped to an all-time low level of 298.93, however, it recovered some ground on resumption of the IMF program. Going forward, PKR might depreciate at normal levels of 5%-6% on an annual basis as potential flows from friendly countries and Multilaterals will keep PKR slide in check. Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods.

In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022).

On the fiscal front, tax revenue has surged handsomely by 16% for FY23 compared to last year, missing FBR's target by 6%. As per tax revenue breakup for FY22, direct tax revenue has increased by 43%, while indirect taxes including duties and sales tax have increased by 1% mainly due to decline in imports. Moreover, higher markup expense and rehab spending related to floods has resulted in fiscal deficit to arrive at 7.7% of GDP for FY23 compared to 7.9% for same period last year.

In July 2023, Pakistan entered into a Standby Agreement with IMF, which entails financial support of US\$3bn in a total span of 9 months, including an initial disbursement of US\$1.2bn. Moreover, the country also received financial support of US\$3bn from its bilateral partners, including Saudi Arabia and UAE, while 50% of the repayments due in FY24 are expected to be rolled over. These inflows along with the IMF agreement, have resulted in bolstering the FX reserves to US\$8.2bn from US\$4.4bn in June 2023 and holds the potential to attract further inflows from Bilateral and Multilateral agencies which will ultimately help the country in managing external debt repayments due in FY24.

The IMF program has provided much-needed certainty and assurance for our economic plan. Its guidance and support have strengthened the path towards sustainable growth and prosperity.

Going forward, boost in economic activity is expected once monetary easing is started in latter half of fiscal year 2024 as according to IMF estimates, GDP is anticipated to grow by 2.5% and 3.6% in FY24 and FY25 respectively with Agriculture playing a major role after recovering from a bearish year caused by the floods.

With adjustment in petroleum products and utility tariffs in accord with the IMF program, inflation is expected to average between 23%-24% for FY24. Inflation is expected to soften and gradually decrease, mainly due to the high base effect from the previous year. However, the measures aimed at securing the IMF deal, including higher taxes and rising energy costs, could contribute to inflationary pressures to some degree.

Monetary easing is expected to start in latter half of the year when inflation is expected to fall below 20%.

Equity Market Review

During FY23, the benchmark index largely remained flat and posted a slight negative return of 0.21% on account of worsening economic indicators. The index remained range bound during the year as it peaked at 43,676 level in Aug'22, however closed at a lower level of 41,453 points.

Deterioration in macro-economic indicators including a) slowdown in economic activity due to unprecedented high inflation and interest rates; b) falling forex reserves and sliding PKR due to massive external debt repayments and c) failure in resumption of the stalled IMF program, dampened investors sentiment and resulted in investors shifting allocation to low risk money market investments.

Despite record profitability posted by companies in the benchmark index in 9MFY23, the above mentioned factors kept investors away from the Equity market as average trading volume of KSE-100 index also declined by 21%YoY to 90.65 million shares. Power Generation and Fertilizer sectors contributed to the index the most, as investors jumped to sectors with stable demand, high dividend yield and USD pegged revenues in case of the Power sector, while Pharmaceuticals contributed most negatively to the index due to massive devaluation of PKR against the greenback.

Foreigners remained net buyers in FY23, as the net foreign inflow amounted to USD 4mn compared to net outflow of USD 295mn during FY22.

Going forward, we believe that the resumption of the stalled IMF program and with a caretaker government, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages and maintaining market based exchange rate. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, peaking interest rates, improving reserves, and a stable PKR, will serve as a huge booster for the Equity market which is currently trading at historic low multiples (forward PE of 3.7x), offering significant potential for a rebound. With double digits' growth in earnings expected in 2024, we expect the local stock market to deliver a strong performance in FY24.

Money Market

Pakistan is expected to post GDP growth of 0.29% during FY23 against 6.10% in FY22.

Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods, while the expectation for FY24 is between 23%-24% till the high base effect kicks in latter half of FY24.

In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022). Similar movement has been witnessed in secondary market yields as they have increased by average 8.14% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on July 31, 2023, where another hike in the policy rate cannot be ruled out as inflation is expected to remain elevated till Feb 2024, fueled by increase in utility tariffs and PKR devaluation.

Fund Operations and Performance

Alfaluh GHP Islamic Stock Fund

In FY23, AGISTF earned a return of 1.26% while the benchmark return was 2.88% during year.

Alfalsh GHP Islamic Income Fund

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Shariah Compliant (Islamic) Income Scheme

Investment Objective

To minimize risk, construct a liquid portfolio of shariah approved fixed income instruments and provide competitive returns to the unit holders.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive return as compared to peer funds with minimum possible risk through investing in low duration shariah compliant fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review

Pakistan is expected to post GDP growth of 5.97% during FY22 against 5.74% in FY21.

Extraordinarily high commodity and energy prices along with adjustment in petroleum products and utility tariffs in accord with the IMF program, has resulted in inflation to average at 12.43% for FY22, while the expectation for FY23 is between 20%-22% till the high base effect kicks in early FY24.

In response to rising inflationary pressures due to mounting commodity prices and increased economic activity, the Central Bank has already hiked policy rate by almost 800bps to 15% from September 2021 (13.75% at June 30, 2022). With the latest hike of 125bps in board meeting held on July 07, 2022, the Central Bank expects that increased interest rates will a) result in slowdown in economic activity, b) prevent de-anchoring of inflation expectations and c) provide support to PKR.

Similar movement has been witnessed in secondary market yields as they have increased by average 8.1% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on August 22, 2022, where the market expects another hike in the policy rate as inflation is expected to remain elevated for whole of FY23, fueled by removal of subsidy on petroleum products and increase in utility tariffs.

Fund Performance

Alfalsh GHP Islamic Income Fund generated a return of 14.88% during the year under review while the benchmark return was 6.06%.

ALFALAH GHP ISLAMIC INCOME FUND

We, the Shariah Advisors of the Alfalah GHP Islamic Income Fund ('AGIIF') (formerly IGI Islamic Income Fund) managed by Alfalah Asset Management Limited, are issuing this report in accordance with the Modified and Restated Trust Deed dated February 12, 2015 and Replacement 3rd Supplemental Offering Document dated March 11, 2015 of the said Fund. The scope of the report is to express an opinion on the Shariah Compliance of the Fund's activities.

It is the responsibility of the Management Company of the said Fund to establish and maintain a system of internal controls to ensure compliance with issued Shariah guidelines. As Shariah Advisors, our responsibility is to express an opinion, based on our review of the representations made by the management, to the extent where such compliance can be objectively verified.

In the capacity of Shariah Advisors of the Fund, we have reviewed and given approval for investment in following avenues during the period from July 01, 2022 to June 30, 2023.

Investment Avenue
<i>GoP (Government of Pakistan) Ijarah Sukuk</i>
<i>Approved Shariah Compliant Sukuk</i>
<i>Approved Islamic Commercial Papers</i>
<i>Approved Bai Muajjal Transactions</i>
<i>Term Deposit Receipts with Approved Islamic Banks</i>

We hereby certify that all the above-mentioned investments and all the provisions of the scheme made by the Fund are in compliance with the Shariah principles.

According to the instructions, if any income is earned by the Fund from the investments whereby a portion of income of such investment has been derived from prohibited sources, such proportion of income of the Fund should be donated to charitable purposes. However, during the year ended June 30, 2023, no such income is earned.

May Allah bless us with Tawfeeq to accomplish these cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

For and on behalf of Shariah Advisory Board.

Mufti Shaikh Noman
Shariah Advisor

Mufti Javed Ahmad
Shariah Board Member

STATEMENT OF COMPLIANCE WITH SHARIAH PRINCIPLES

Alfalah GHP Islamic Income Fund has fully complied with the Shariah principles specified in the Trust Deed and the guidelines issued by the Shariah Advisor for its operations, investments and placements made during the year ended June 30, 2023. This has been duly confirmed by the Shariah Advisor of the Fund.

INDEPENDENT AUDITORS' REPORT

To the Unit holders of Alfalah GHP Islamic Income Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Islamic Income Fund** (the Fund), which comprise the statement of assets and liabilities as at **30 June 2023**, and the income statement, statement of comprehensive income, statement of cash flows and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or give a true and fair view of) the financial position of the Fund as at 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key audit matter	How our audit addressed the key audit matter
Existence and valuation of bank balances and investments	
<p>The bank balances and investments (comprised of debt securities) represent 95.77% of the Total Assets of the Fund at the year end.</p> <p>In view of the significance of existence and valuation of bank balances and investments in relation to determination of the Net Asset Value of the Fund, we have considered these to be a key audit matter.</p> <p>Refer to Notes 4 and 5 of the financial statements of the Fund for the year ended 30</p>	<p>We performed a combination of audit procedures focusing on the existence and valuation of the bank balances and investments. Our key procedures included the following:</p> <ul style="list-style-type: none"> - We tested controls over receipts and payments, and bank reconciliations as well as acquisition, disposals, and periodic valuation of investments portfolio. - We obtained independent confirmations for verifying the existence of the bank balances

Key audit matter	How our audit addressed the key audit matter
<p>June 2023 in relation to the above referred bank balances and investments.</p>	<p>and investments as on 30 June 2023. Where such confirmations were not available, we reviewed bank statements and custodian statements.</p> <ul style="list-style-type: none"> - We re-performed valuations on investments in accordance with the accounting policy of the Fund. - We evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9. - We obtained bank reconciliations and tested reconciling items on a sample basis. - We assessed the Fund's compliance with the requirements of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investments and exposure limits. - We also evaluated the adequacy of the disclosures in the financial statements regarding the bank balances and investments in accordance with the requirements of the Regulations and applicable financial reporting standards.

myh

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Omer Chughtai.

ALFALAH GHP ISLAMIC INCOME FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT
FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Islamic Income Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, between IGI Funds Limited (Former Management Company) and Central Depository Company of Pakistan Limited (CDC) as the Trustee on July 3, 2008, the management rights of the Fund were transferred from the former Management Company to Alfalah Asset Management Limited [formerly Alfalah GHP Investment Management Limited] (the Management Company) by order No. SCD/NBFC-II/IGIFL & AFGHP/742/2013 of the Securities and Exchange Commission of Pakistan (SECP). The SECP has approved the first, second and third Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) vide its letter No. SEC/NBFC-II/DD/IGIII&GF/782/2008, No. SCD/NBFC-II/AD/IGI/INF/791/2009, No. SCD/AMCW/AGISF/240/2015 dated September 19, 2008, August 19, 2009 and February 03, 2015, respectively to modify and restate the previous Trust Deed to effectuate renaming of the Fund to Alfalah GHP Income Fund (formerly IGI Income Fund).

After promulgation of Provincial Trust Acts namely "Sindh Trusts Act, 2020" (the Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan, the abovementioned Trust Deeds have been registered under the Sindh Trust Act on 13 September, 2021.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the Rules) through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at 2nd Floor, Islamic Chambers of Commerce, Industry and Agriculture Building, Clifton, Karachi, Pakistan.

1.3 The Fund is categorised as a 'Shariah Compliant Islamic Income Scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in a shariah compliant manner. The Fund invests in shariah compliant deposits, profit bearing accounts, certificates of investment, Musharika and Morabaha arrangements and debt securities. The investment objectives and policy are explained in the Fund's offering document.

1.5 The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2+ (stable outlook) to the Management Company on March 3, 2023 (2022: AM2++ (stable outlook) on August 31, 2022) and AA-(f) to the Fund in its credit rating report dated April 13, 2023 (2022: AA-(f) on April 8, 2022).

1.6 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, Interpretations and amendments to published accounting and reporting standards that are not yet effective

The following amendments with respect to the accounting and standards reporting standards would be effective from the dates mentioned below against the respective amendment or improvements:

Amendments or Improvements		Effective dates (annual periods beginning on or after)
IAS 1 and IFRS Practice Statement 2	Disclosure of Accounting Policies (Amendments)	1-Jan-2023
IAS 8	Definition of Accounting Estimates (Amendments)	1-Jan-2023
IAS 12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments)	1-Jan-2023
IAS 12	International Tax Reform – Pillar Two Model Rules (Amendments)	1-Jan-2023
IAS 1	Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants (Amendments)	1-Jan-2024
IFRS 16	Lease Liability in a Sale and Leaseback (Amendments)	1-Jan-2024
IAS 7 / IFRS 7	Disclosures: Supplier Finance Arrangements (Amendments)	1-Jan-2024
IFRS 10 / IAS 28	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments)	Not yet finalised

The above standards, amendments and improvements are not expected to have any material impact on the Company's financial statements in the period of initial application.

Further, the following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan and are not expected to have any material impact on the Company's financial statements in the period of initial application.

Standard or interpretation	IASB Effective dates (annual periods beginning on or after)
IFRS 1 First-time Adoption of International Financial Reporting Standards	1-Jan-2004
IFRS 17 Insurance Contracts	1-Jan-2003

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- i. Classification and valuation of investments (notes 3.3.1 and 5)
- ii. Provision for Sindh Workers' Welfare Fund
- iii. Provision against Federal Excise Duty (note 8.3)

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured at 'fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.2 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.3 Financial assets

3.3.1 Classification and subsequent measurement

3.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

Based on the business model of the entity, however, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.3.2 Impairment

3.3.2.1 Impairment other than debt securities

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.3.2.2 Impairment on debt securities

SECP through its letter SCD/AMCW/RS/MUFAP/2017-148 dated November 21, 2017 has deferred the applicability of the impairment requirements of IFRS 9 in relation to debt securities for mutual funds and has instructed to continue following the requirements of Circular No. 33 of 2012 dated October 24, 2012 for non-performing debt securities.

3.3.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.3.4 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.3.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.4 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.7 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, Super Tax on High Earning Persons introduced in the Finance Act, 2022 is also not applicable on funds (section 4C of the Income Tax Ordinance, 2001).

Deferred

The Fund does not recognise deferred tax liabilities and assets as its income is exempt from tax as explained above.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Net asset value per unit

The net asset value (NAV) per unit as disclosed in the "Statement of Assets and Liabilities" is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.12 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised gains / losses arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which these arise.
- Income on debt securities and Government securities is recognised on a time proportion basis using the effective yield method.
- Profit income on bank balances is recognised on an accrual basis.

3.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.14 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

		4,320,039

7.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 151 and 150. However several withholding agents deduct tax at source based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced by the withholders.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the cumulative amount of withholding tax has been shown under other receivable as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

8 PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY	Note	2023	2022
		----- (Rupees) -----	
Management remuneration payable	8.1	2,517,582	7,007,580
Sindh sales tax payable on management remuneration	8.2	296,887	874,404
Sindh sales tax payable on federal excise duty management remuneration	8.3	99,601	99,601
Federal excise duty on management remuneration	8.3	779,745	779,745
Payable against allocated expenses	8.4	1,046,161	3,136,199
Selling and marketing expenses	8.5	1,255,206	2,895,129
Sales load payable to management company		5,451	2,625
		6,000,633	14,795,283

8.1 During the year, the Management Company has charged remuneration at the rate of 10% (2022: 10%) of the gross earnings of the Fund calculated on a daily basis not exceeding the maximum rate of remuneration permitted under the offering document, provided that the Fund is subject to a minimum fee of 0.25% of the average daily net assets of the Fund. Remuneration was charged on similar basis during the year ended June 30, 2023.

8.2 During the year, an amount of Rs. 5.5 million (2022: Rs. 7.98 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 6.099 million (2022: Rs. 7.66 million) has been paid to the Management Company which acts as a collecting agent.

8.3 The Finance Act, 2013 has enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund as explained in note 8.2 above, the Management Company is of the view that further levy of FED is not justified.

On 04 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the year ended 30 June 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 1 July 2016, FED on services provided or rendered by Non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 01 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 11.40 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Fund as at 30 June 2023 would have been higher by Rs 0.03 per unit (2022: Rs 0.01 per unit).

8.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge actual fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). Accordingly, Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expense.

8.5 The SECP has allowed the Asset Management companies to charge selling and marketing expenses in all categories of open-end mutual funds (except fund of funds) upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company (except fund of funds).

9 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2023	2022
		----- (Rupees) -----	
Trustee remuneration payable	9.1	214,018	429,208
Sindh sales tax payable on trustee remuneration	9.2	73,408	101,380
		287,426	530,588

9.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. The remuneration is payable to the trustee at the rate of 0.17% (2022: 0.17%) per annum of the net assets of the Fund.

9.2 During the year, an amount of Rs. 0.37 million (2022: Rs. 0.63 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 0.31 million (2022: Rs. 0.58 million) was paid to the Trustee which acts as a collecting agent.

10 ANNUAL FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Annual fee payable to the SECP	10.1 <u>764,952</u>	<u>1,281,373</u>

10.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay annual fee to the Securities and Exchange Commission of Pakistan (SECP).

Under the provisions of NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay as annual fee to the Securities and Exchange Commission of Pakistan (SECP), an amount equal to 0.02% (2022: 0.02%) of the average net assets of the Fund.

11 ACCRUED AND OTHER LIABILITIES

	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Withholding tax and capital gain tax payable	4,356,218	10,854,811
Sales load payable	1,398,916	13,833,015
Brokerage charges	153,222	1,547,725
Auditors' remuneration	218,798	491,624
Annual rating fee	252,946	325,999
Shariah advisory fee	489,350	421,280
Printing charges	175,395	204,226
Settlement charges	<u>1,955,965</u>	<u>1,064,301</u>
	<u>9,000,810</u>	<u>28,742,981</u>

12 CONTINGENCIES AND COMMITMENTS

There are no material contingencies and commitments outstanding as at June 30, 2023 and June 30, 2022.

13 PROFIT EARNED

	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Profit on:		
- GoP ijara sukuks	116,903,142	81,982,601

- Term deposit receipts	16,868,780	14,589,765
- Bai Muajjal	-	7,454,132
	<u>606,252,489</u>	<u>618,777,089</u>

14 AUDITORS' REMUNERATION

Audit fee	177,381	161,255
Review and other certifications	93,124	84,658
Out of pocket expenses	41,063	46,172
Sindh sales tax	<u>24,925</u>	<u>31,969</u>
	<u>336,493</u>	<u>324,054</u>

15 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 1.29% (2022: 1.45) which includes 0.08% (2022: 0.15%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP etc. This ratio is within the maximum limit of 2.5% (2022: 2.5%) (excluding government levies) prescribed under the NBFC Regulations for a collective investment scheme categorised as an income scheme.

16 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

Since the Management Company has paid the required minimum percentage of income earned by the fund during the year 30 June 2023 to the unit holders in the manner explained above, no provision for taxation has been made in these financial statements during the year.

17 NON SHARIAH COMPLIANT INCOME

According to the instructions of the Shariah Advisor, if any income is earned by the Fund from the investments whereby a portion of income of such investees has been derived from prohibited sources, such proportion of income of the Fund should be donated to charitable purposes. However, during the year ended June 30, 2023, no such income is earned.

18 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include the Management Company, Funds under management of the Management Company, Bank Alfalah Limited and MAB Investment Incorporation being the associated company and holding company respectively, of the Management Company, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, the Management Company - Staff Provident Fund, directors and their close family members and key management personnel of Alfalah Asset Management Limited and Central Depository Company of Pakistan Limited (CDC) being the Trustee of the Fund, and other associated companies and connected persons. Connected persons also include any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

20 FINANCIAL INSTRUMENTS - FAIR VALUE AND RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

20.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / profit rate risk and price risk.

20.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence, is not exposed to such risk.

20.1.2 Yield / profit rate risk

Yield / profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The profit rate profile of the Fund's profit bearing financial instruments, as at June 30, 2023, is as follows:

	2023	2022
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Bank balances	574,904,882	2,943,952,385
Sukuk certificates	880,334,699	1,793,514,618
Commercial papers	-	348,416,346
GOP Ijara Sukuks	362,535,841	59,868,000
	<u>1,817,775,422</u>	<u>5,145,751,349</u>
Fixed rate instruments (financial assets)		
GOP Ijara Sukuks	277,103,859	4,800,000
	<u>277,103,859</u>	<u>4,800,000</u>

a) Sensitivity analysis for variable rate instruments

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased / decreased the income statement and statement of comprehensive income by Rs. 18.18 million (2022: Rs. 51.46 million) and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased / decreased the income statement and statement of comprehensive income by Rs. 2.77 million (2022: Rs. 0.048 million) and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

The composition of the Fund's investment may change over time. Accordingly, the sensitivity analysis prepared as at June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

----------------------	----------------------	----------------------

20.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Debt price risk is the risk that the fair value of debt instruments decreases as a result of changes in the spread and market rate of the debt securities. As at June 30, 2023, the Fund is not exposed to any debt price risk as the Fund holds the Government securities and the debt risk pertaining to non Government securities is not material.

20.2 Credit risk

Credit risk represents the risk of a loss if counterparties fail to perform as contracted and arises principally from bank balances, investments, profit receivable and deposit and other receivable.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

20.2.1 Exposure to credit risk

The maximum exposure to credit risk as at June 30, 2023 was as follows:

	2023		2022	
	Balance as per statement of assets and liabilities	Maximum exposure	Balance as per statement of assets and liabilities	Maximum exposure
	(Rupees)			
Bank balances	574,904,882	574,904,882	2,943,952,385	2,943,952,385
Investments	1,694,974,399	1,055,334,699	2,445,031,087	2,380,363,087
Profit receivable	95,942,807	66,021,432	104,682,394	104,279,127
Advance, deposit and prepayment	117,272	117,272	100,000	100,000
	2,365,939,360	1,696,378,285	5,493,765,866	5,428,694,599

Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in Government securities including profit receivable of Rs. 669.56 million (2022: Rs 65.07 million) are not exposed to credit risk.

No financial assets were considered to be past due or impaired either at June 30, 2023 and June 30, 2022.

20.2.2 Bank balances

The Fund held bank balances at June 30, 2023 with banks having following credit ratings:

Bank name	Rating agency	Rating (Short Term / Long Term)	2023	2022	2023	2022
			Percentage of total bank balances		Percentage of total profit receivable on saving balances	
Soneri Bank Limited	PACRA	A1+/AA-	0.0013%	0.07%	0.00%	0.00%

			100.00%	100.00%	21.92%	41.87%

20.2.3 Above ratings are on the basis of available rating assigned by PACRA and VIS as of June 30, 2023.

Investments

The Fund held investments in sukuk certificates with entities having following credit ratings:

Entity name	Rating agency	Rating (Short Term / Long Term)	2023	2022	2023	2023
			Percentage of investments		Percentage of profit receivable on investments	
Meezan Bank Limited	VIS	A-1+ / AAA	9.36%	6.69%	13.97%	8.40%
Engro Powergen Thar (Private) Limited	PACRA	A1 / AA-	2.15%	2.06%	1.43%	1.11%
Dubai Islamic Bank Pakistan Limited	VIS	A-1+ / AA-	13.10%	13.29%	4.06%	15.54%
Hub Power Company Limited	PACRA	A1+ / AA+	7.80%	15.16%	3.80%	7.48%
Mughal Iron & Steel Industries Limited	VIS	A-2 / A+	9.73%	9.68%	3.10%	2.70%
K-Electric Limited	PACRA	A1+ / AA	2.94%	10.63%	3.25%	7.24%
Pakistan Energy Sukuk II	PACRA	A1+ / AAA	6.79%	0.00%	2.88%	5.98%
			51.87%	57.53%	32.48%	48.45%

This excludes investments made by the Fund in Government securities namely GoP Ijara Sukuks.

Above ratings are on the basis of available rating assigned by PACRA and VIS as of June 30, 2023.

20.2.4 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is mainly held with various banks and securities issued by the entities having reasonably high credit rating.

20.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in short term instruments in order to maintain liquidity.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

2023	Within 1 month	1 to 3 months	3 to 12 months	1 to 5 years or more	With no fixed maturity	Total

20.4 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023, the Fund held the following financial instruments measured at fair values:

	2023			
	Level 1	Level 2	Level 3	Total
(Rupees)				
At fair value through profit or loss				
Sukuk certificates	-	880,334,699	-	880,334,699
Short term sukuk certificates	-	175,000,000	-	175,000,000
GOP Ijara Sukuks	-	639,639,700	-	639,639,700
	-	<u>1,694,974,399</u>	-	<u>1,694,974,399</u>
(Rupees)				
At fair value through profit or loss				
Sukuk certificates	-	1,793,514,618	-	1,793,514,618
Short term sukuk certificates	-	250,000,000	-	250,000,000
Commercial papers*	-	348,416,346	-	348,416,346
GOP Ijara Sukuks	-	64,668,000	-	64,668,000
	-	<u>2,456,598,964</u>	-	<u>2,456,598,964</u>

*The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

During the year ended June 30, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

20.5 Unit holder's fund management

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is the risk that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of Unit Holders' Fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors are updated about the Fund yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

21 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

22 GENERAL

22.1 Figures are rounded off to the nearest rupee.

22.2 Corresponding figures have been rearranged, reclassified or additionally incorporated in the financial statements, wherever necessary, to facilitate comparison and to conform with the changes in presentation. No significant rearrangements or reclassifications were made in these financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoru – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh -- Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoru – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenor as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Islamic Stock Fund

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Shariah compliant Islamic Equity Scheme (Previously Shariah Compliant Asset Allocation Scheme)

Investment Objective

The investment objective of Alfalah GHP Islamic Stock Fund (AGISF) is seeking long term capital appreciation and income from a diversified portfolio developed in consistence with the principles of Shariah.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds via investments in Shariah Compliant avenues.

Equity Market Review

During FY23, the benchmark index largely remained flat and posted a slight negative return of 0.21% on account of worsening economic indicators. The index remained range bound during the year as it peaked at 43,676 level in Aug'22, however closed at a lower level of 41,453 points.

Deterioration in macro-economic indicators including a) slowdown in economic activity due to unprecedented high inflation and interest rates; b) falling forex reserves and sliding PKR due to massive external debt repayments and c) failure in resumption of the stalled IMF program, dampened investors sentiment and resulted in investors shifting allocation to low risk money market investments.

Despite record profitability posted by companies in the benchmark index in 9MFY23, the above mentioned factors kept investors away from the Equity market as average trading volume of KSE-100 index also declined by 21%YoY to 90.65 million shares. Power Generation and Fertilizer sectors contributed to the index the most, as investors jumped to sectors with stable demand, high dividend yield and USD pegged revenues in case of the Power sector, while Pharmaceuticals contributed most negatively to the index due to massive devaluation of PKR against the greenback.

Foreigners remained net buyers in FY23, as the net foreign inflow amounted to USD 4mn compared to net outflow of USD 295mn during FY22.

Going forward, we believe that the resumption of the stalled IMF program and with a caretaker government, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages and maintaining market based exchange rate. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, peaking interest rates, improving reserves, and a stable PKR, will serve as a huge booster for the Equity market which is currently trading at historic low multiples (forward PE of 3.7x), offering significant potential for a rebound. With double digits' growth in earnings expected in 2024, we expect the local stock market to deliver a strong performance in FY24.

Fund Performance

In FY23, AGISTF earned a return of -0.63% while its benchmark earned a negative return of -0.83% during the same period.

Performance comparison with Benchmark

Asset Allocation

INDEPENDENT AUDITORS' REPORT

To the Unit holders of Alfalah GHP Islamic Stock Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Islamic Stock Fund** (the Fund), which comprise the statement of assets and liabilities as at **30 June 2023**, and the income statement, statement of comprehensive income, statement of cash flows and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or give a true and fair view of) the financial position of the Fund as at 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key audit matter	How our audit addressed the key audit matter
<p>Existence and valuation of investments</p> <p>The investments (comprised of listed equity securities) represent 98.26% of the Total Assets of the Fund at the year end.</p> <p>In view of the significance of existence and valuation of investments in relation to determination of the Net Asset Value of the Fund, we have considered these to be a key audit matter.</p>	<p>We performed a combination of audit procedures focusing on the existence and valuation of the investments. Our key procedures included the following:</p> <ul style="list-style-type: none"> - We tested controls over acquisition, disposals, and periodic valuation of investments portfolio. - We obtained independent confirmations for verifying the existence of the Investments as on 30 June 2023. Where such confirmations

Key audit matter	How our audit addressed the key audit matter
<p>Refer to Note 5 of the financial statements of the Fund for the year ended 30 June 2023 in relation to the above referred investments.</p>	<p>were not available, we reviewed custodian statements.</p> <ul style="list-style-type: none"> - We re-performed valuations on investments in accordance with the accounting policy of the Fund. - We evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9. - We assessed the Fund's compliance with the requirements of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investments and exposure limits. - We also evaluated the adequacy of the disclosures in the financial statements regarding the investments in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation

precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Omer Chughtai.

ALFALAH GHP ISLAMIC STOCK FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Islamic Stock Fund (formerly Alfalah GHP Islamic Fund) (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited (formerly Alfalah GHP Investment Management Limited), (the Management Company) and Central Depository Company of Pakistan Limited, (the Trustee) on April 11, 2007. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), on March 29, 2007. The SECP approved the first and second Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations), vide its letter No. NBFC/RS/AGIML/AGIF/178/2010 and No. AMCW/03/AGIML/AMS/02/2014 dated February 26, 2010 and March 10, 2014, respectively to modify and restate the previous Trust Deed to effectuate the amendments listed in Annexure A of the first and second Supplemental Trust Deed.

After promulgation of Provincial Trust Acts namely "Sindh Trusts Act, 2020" (the Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan, the abovementioned Trust Deeds have been registered under the Sindh Trust Act on 17 September, 2021.

- 1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the Rules) through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at 2nd Floor, Islamic Chambers of Commerce, Industry and Agriculture Building, Clifton, Karachi, Pakistan.
- 1.3 The Fund is categorised as a 'shariah compliant equity scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in shariah compliant equity securities. The Fund invests in shariah compliant securities and profit bearing accounts. The investment objectives and policy are explained in the Fund's offering document.
- 1.5 The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2++ (stable outlook) to the Management Company on August 31, 2023 (2022: AM2+ (stable outlook) on March 3, 2022).
- 1.6 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.
- 1.7 During the year, the Fund has made a distribution of Rs. 15.08 million (including income already paid on units redeemed of Rs. 1.32 million). However, the maximum amount of income available for distribution for the current year as per the criteria given in the constitutive documents of the Fund was Rs. 13.23 million. The Fund intends to adjust the same in the future years through subsequent available profits.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

The following amendments with respect to the accounting and standards reporting standards would be effective from the dates mentioned below against the respective amendment or improvements:

Amendments or Improvements		Effective dates (annual periods beginning on or after)
IAS 1 and IFRS Practice Statement 2	Disclosure of Accounting Policies (Amendments)	1-Jan-2023
IAS 8	Definition of Accounting Estimates (Amendments)	1-Jan-2023
IAS 12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments)	1-Jan-2023
IAS 12	International Tax Reform – Pillar Two Model Rules (Amendments)	1-Jan-2023
IAS 1	Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants (Amendments)	1-Jan-2024
IFRS 16	Lease Liability in a Sale and Leaseback (Amendments)	1-Jan-2024
IAS 7 / IFRS 7	Disclosures: Supplier Finance Arrangements (Amendments)	1-Jan-2024
IFRS 10 / IAS 28	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments)	Not yet finalised

The above standards, amendments and improvements are not expected to have any material impact on the Company's financial statements in the period of initial application.

Further, the following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan and are not expected to have any material impact on the Company's financial statements in the period of initial application.

Standard or interpretation	IASB Effective dates (annual periods beginning on or after)
IFRS 1	First-time Adoption of International Financial Reporting Standards
IFRS 17	Insurance Contracts

2.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements are as follow:

- i. Classification and valuation of Investments (notes 3.2.1 and 5)
- iii. Provision against Federal Excise Duty (note 8.3)

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments classified as 'financial assets at fair value through profit or loss' which are measured at their fair values.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all years.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Classification and subsequent measurement

3.2.1.1 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI. The management considers its investment in equity securities being managed as a group of assets and hence has classified them as fair value through profit or loss (FVPL). Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

3.2.1.2 Impairment other than debt securities

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.2.1.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.1.4 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.2.1.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.2.1.6 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.4 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Furthermore, for the purpose of determining distribution of at least 90% of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, Super Tax on High Earning Persons introduced in the Finance Act, 2022 is also not applicable on funds (section 4C of the Income Tax Ordinance, 2001).

Deferred

The Fund does not recognize deferred tax liabilities and assets as its income is exempt from tax as explained above.

3.7 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Revenue recognition

- Gains or losses arising on sale of investments classified as 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.

- Unrealised gains / losses arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which these arise.
- Profit on saving account with banks is recognised on a time proportion basis using the effective yield method.
- Dividend income is recognised when the right to receive the dividend is established.

3.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.13 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.14 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

4 BANK BALANCES	Note	2023	2022
		(Rupees)	
Balances with banks in:			
- savings accounts	4.1	3,076,024	77,621,472
- current accounts	4.2	16,473,300	55,150,143
		<u>19,549,324</u>	<u>132,771,615</u>

4.1 These carry profit rates ranging between 8.50% to 21.75% (2022: 5.50% to 15.20%) per annum and include bank balance of Rs. 17.12 million (2022: Rs. 0.11 million) maintained with Bank Alfalah Limited, a related party, carrying profit at the rate of 20.50% (2022: 5.14%) per annum.

4.2 This balance is maintained with Bank Alfalah Limited - Islamic Banking Division (a related party).

5.1.1 The above investments include shares having a market value (in aggregate) amounting to Rs. 27.83 million (2022: Rs. 61.35 million) which have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in accordance with circular no. 11 dated October 23, 2007 issued by the Securities & Exchange Commission of Pakistan. The details of shares which have been pledged are as follows:

	2023		2022	
	Number of shares	Market Value	Number of shares	Market Value
----- (Rupees) -----				
The Hub Power Company Limited	400,000	900,000	27,832,000	61,353,000

5.1.2 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance, 2001 as a result of which companies were liable to withhold five percent of the bonus shares to be issued. The shares so withheld were to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including the bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the Honourable High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 of Part I to the Second Schedule to the Income Tax Ordinance, 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Honourable Supreme Court of Pakistan (HSC) passed a judgement on June 27, 2018 whereby the suits which are already pending or shall be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50 percent of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50 percent of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition vide CP 4653 dated July 11, 2019 and on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares, issued to the Funds in lieu of their investments, be created in the meantime. The matter is still pending adjudication and the Fund has included these shares in its portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund during the year were not withheld by the investee companies, except for bonus / right on shares already withheld by the investee companies.

As at June 30, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

Name of investee Company	2023	2022	2023	2022

-------------------------	--------	--------

Deposits:

Central Depository Company of Pakistan Limited	100,000	100,000
National Clearing Company of Pakistan Limited	2,500,000	2,500,000
	<u>2,600,000</u>	<u>2,600,000</u>
	<u>2,653,230</u>	<u>2,653,230</u>

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 151 and 150. However, several withholding agents deduct tax at source based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the cumulative amount of withholding tax deducted on profit received by the Fund on dividends and profit on debt has been shown as a receivable as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

		<u>20,187,456</u>	<u>25,664,874</u>

- 8.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document, subject to the total expense ratio limit. The Management Company has charged remuneration at a rate of 2% (2022: 2%) of the average annual net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 8.2 During the year, an amount of Rs. 3.427 million (2022: Rs. 5.132 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 3.456 million (2022: Rs. 5.356 million) has been paid to the Management Company which acts as a collecting agent.

- 8.3** The Finance Act, 2013 has enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund as explained in note 8.2 above, the Management Company is of the view that further levy of FED is not justified.

On 04 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the year ended 30 June 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 1 July 2016, FED on services provided or rendered by Non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 01 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 9.78 million (2022: Rs 9.78 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Fund as at 30 June 2023 would have been higher by Rs. 0.16 per unit (2022: Rs. 0.14 per unit).

- 8.4** In accordance with regulation 60 of the NBFC Regulations, the Management Company is entitled to charge actual fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). Accordingly, Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expenses.

- 8.5** The SECP has allowed the Asset Management companies to charge selling and marketing expenses in all categories of open-end mutual funds (except fund of funds) upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company (except fund of funds).

9 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

	Note	2023 ----- (Rupees) -----	2022 -----
Trustee remuneration payable	9.1	171,989	201,041
Sindh sales tax payable on Trustee remuneration	9.2	22,361	26,138
		<u>194,350</u>	<u>227,179</u>

- 9.1** The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. During the year, the Trustee has charged remuneration at the rate of 0.1% per annum of net assets of the Fund (2022: 0.01% per annum of net assets of the Fund).

- 9.2** Accordingly during the year, an amount of Rs. 0.29 million (2022: Rs. 0.39 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 0.30 million (2022: Rs. 0.39 million) was paid to the Trustee which acts as a collecting agent.

10 ANNUAL FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN (SECP)

	Note	2023 ----- (Rupees) -----	2022 -----
Annual fee payable	10.1	263,605	394,724

- 10.1** Under the provisions of the NBFC Regulations, a collective investment scheme is required to pay as annual fee to the SECP, an amount equal to 0.02% (2022: 0.02%) of the average annual net assets of the Fund.

11 ACCRUED EXPENSES AND OTHER LIABILITIES

	Note	2023 ----- (Rupees) -----	2022 -----
Auditors' remuneration payable		481,473	811,434
Brokerage payable		1,094,706	429,297
Settlement charges		281,661	116,804
Withholding tax payable		1,397,972	1,032,257
Charity payable	11.1	2,593,989	2,751,905
Shariah advisor fee payable		735,708	663,653
Capital value tax payable		7,855	7,855
Sales load payable		198,785	198,785
Annual rating fee		235,413	235,413
Conversion payable		1,293,302	1,179,940
Other liabilities		159,812	114,420
		<u>8,480,676</u>	<u>7,541,763</u>

11.1 According to the instructions of the Shariah Advisory Board, any income earned by the Fund from investments a portion of which has been made in non-shariah compliant avenues, such portion of the income of the Fund from that investee should be donated for charitable purposes directly by the Fund.

12 CONTINGENCIES AND COMMITMENTS

There are no material contingencies and commitments outstanding as at June 30, 2023 and June 30, 2022.

13 AUDITORS' REMUNERATION	2023	2022
	----- (Rupees) -----	
Audit fee	440,000	400,000
Review and other certification	286,569	310,517
Out of pocket expenses	72,657	68,127
Sindh sales tax	63,938	60,856
	863,164	839,500

14 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 4.78% (2022: 4.82%) which includes 0.88% (2022: 0.3284%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, federal excise duties, annual fee to the SECP etc. The TER excluding government levies is 3.99% (2022: 4.39%) which is within the prescribed limit of 4.5% (2022: 4.5%) (excluding government levies) under the NBFC Regulations for a collective investment scheme categorised as an "equity scheme".

15 TAXATION

The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend. Furthermore, regulation 63 of the NBFC Regulations requires the Fund to distribute 90% of the net accounting income other than capital gains to the unit holders. The Fund is also exempt from the provisions of the section 113 (minimum tax) under clause 4A of Part IV of the Second Schedule of the Income tax Ordinance, 2001. Since the management has paid the required minimum percentage of income earned by the the Fund during the year ended 30 June 2023 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

16 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include the Management Company, Funds under management of the Management Company, Bank Alfalah Limited and MAB Investment Incorporation being the associated company and holding company respectively, of the Management Company, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, the Management Company - Staff Provident Fund, directors and their close family members and key management personnel of Alfalah Asset Management Limited and Central Depository Company of Pakistan Limited (CDC) being the Trustee of the Fund, and other associated companies and connected persons. Connected persons also include any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Funds's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

18.1.2 Yield / Interest rate risk

Yield / Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2023, is as follows:

Variable rate instrument (financial asset)	2023	2022
	----- (Rupees) -----	
Bank balance	<u>19,549,324</u>	<u>132,771,615</u>

a) Sensitivity analysis for variable rate instrument

A reasonably possible change of 100 basis points in profit rates on the last repricing date would have increased / decreased the net profit for the year and the net assets of the Fund by Rs. 0.20 million (2022: Rs. 1.33 million). The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

As at reporting date, the Fund does not hold any fixed rate instruments.

The composition of the Fund's investment portfolio and the profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

Cumulative profit rate sensitivity gap		<u>77,621,472</u>	<u>77,621,472</u>	<u>77,621,472</u>		

18.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price risk arising from the Fund's investment in equity securities classified as 'at fair value through profit or loss'. The Fund manages its price risk arising from investment in the equity securities by diversifying its portfolio within the eligible limits prescribed in the Trust Deed. The NBFC Regulations also limit investment in individual equity securities to not more than 15% of the net assets and issued capital of the investee company and sector exposure upto 40% of the net assets.

In case of 1% increase / decrease in KSE 100 index on June 30, 2023, with all other variables held constant, the net income / loss and the net assets of the Fund would increase / decrease by Rs. 12.63 million (2022: Rs. 13.12 million) as a result of gains / losses on equity securities classified as 'financial assets at fair value through profit or loss'.

The analysis is based on the assumption that equity index has increased / decreased by 1% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the KSE 100 Index, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the KSE 100 Index, is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of the KSE 100 Index.

At June 30, 2023, the fair value of equity securities exposed to price risk is disclosed in note 5.1.

18.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

18.2.1 Exposure to credit risk

The maximum exposure to credit risk as at June 30, 2023 was as follows:

	2023		2022	
	Balance as per statement of assets and liabilities	Maximum exposure	Balance as per statement of assets and liabilities	Maximum exposure
----- (Rupees) -----				
Bank balances	19,549,324	19,549,324	132,771,615	132,771,615
Investments	1,263,758,600	-	1,312,740,146	-
Advance and deposits	2,653,230	2,600,000	2,600,000	2,600,000
Profit and other receivables	220,296	220,296	1,029,724	1,029,724
	1,286,181,450	22,369,620	1,449,141,485	136,401,339

The difference in the balance as per the Statement of Assets and Liabilities and maximum exposure is due to the fact that investments in listed equity securities of Rs. 1,263.76 million (2022: Rs. 1,312.74 million) are not exposed to credit risk.

No financial assets were considered to be past due or impaired either at June 30, 2023 and June 30, 2022.

18.2.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks and profit accrued thereon, credit exposure arising as a result of dividends receivable on equity securities. Credit risk on dividend receivable is minimal due to statutory protection.

Bank balances

The Fund held bank balances at June 30, 2023 with banks having following credit ratings:

Bank name	Rating agency	Rating (Short Term / Long Term)	2023	2022	2023	2022
			Percentage of total bank balances		Percentage of total profit receivable on bank	
Bank Alfalah Limited	PACRA	A1+/AA+	84.84%	41.62%	0.00%	0.00%
Meezan Bank Limited	VIS	A-1+/AAA	0.04%	0.01%	0.00%	0.00%
National Bank of Pakistan	VIS	A1+/AAA	0.12%	0.02%	0.00%	0.00%
Habib Bank Limited	VIS	A-1+/AAA	0.16%	0.02%	0.00%	0.07%
BankIslami Pakistan Limited	PACRA	A1+/AAA	0.91%	1.80%	96.40%	70.17%
Dubai Islamic Bank Pakistan Limited	VIS	A-1+ / AA	1.69%	0.05%	0.73%	0.24%
MCB Islamic Bank Limited	PACRA	A1 / A	0.34%	0.04%	2.86%	6.88%
Allied Bank Limited	PACRA	A1+/AAA	11.89%	56.45%	0.00%	22.65%
			100.00%	100.00%	100.00%	100.00%

Above rates are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2023.

18.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is mainly held with banks having high credit rating and in listed equity securities which are not exposed to credit risk.

18.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to the daily settlement of equity securities and to daily cash redemptions, if any. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Fund's reputation. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed of. The Fund's investments in listed securities are considered readily realisable, as they are listed on the Pakistan Stock Exchange.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

2023					
Within 1 month	More than one month and upto three months	More than three months and upto one year	More than one year	Financial instruments with no fixed maturity	Total

18.4 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023 and June 30, 2022, the Fund held the following assets measured at fair values:

2023			
Level 1	Level 2	Level 3	Total
(Rupees)			
Investments - Listed equity securities	1,263,758,600	-	-
	<u>1,263,758,600</u>	<u>-</u>	<u>1,263,758,600</u>
2022			
Level 1	Level 2	Level 3	Total
(Rupees)			
Investments - Listed equity securities	1,312,740,146	-	-
	<u>1,312,740,146</u>	<u>-</u>	<u>1,312,740,146</u>

During the year ended June 30, 2023 there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

18.5 Unit holders' fund risk management

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is the risk that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of Unit Holders' Fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeem and issue unit in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under rules and regulations; and
- Monitor portfolio allocations and return on net assets and where required make necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

19 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

20 GENERAL

Figures have been rounded off to the nearest rupee.

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh - – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenure also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenure as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

The Fund has achieved its objective of generating higher return by investing in a mix of underlying fixed income and equity based mutual funds within the guidelines provided under NBFC rules.

Money Market

Pakistan is expected to post GDP growth of 0.29% during FY23 against 6.10% in FY22.

Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods, while the expectation for FY24 is between 23%-24% till the high base effect kicks in latter half of FY24.

In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022). Similar movement has been witnessed in secondary market yields as they have increased by average 8.14% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on July 31, 2023, where another hike in the policy rate cannot be ruled out as inflation is expected to remain elevated till Feb 2024, fueled by increase in utility tariffs and PKR devaluation.

Equity Market Review

During FY23, the benchmark index largely remained flat and posted a slight negative return of 0.21% on account of worsening economic indicators. The index remained range bound during the year as it peaked at 43,676 level in Aug'22, however closed at a lower level of 41,453 points.

Deterioration in macro-economic indicators including a) slowdown in economic activity due to unprecedented high inflation and interest rates; b) falling forex reserves and sliding PKR due to massive external debt repayments and c) failure in resumption of the stalled IMF program, dampened investors sentiment and resulted in investors shifting allocation to low risk money market investments.

Despite record profitability posted by companies in the benchmark index in 9MFY23, the above mentioned factors kept investors away from the Equity market as average trading volume of KSE-100 index also declined by 21%YoY to 90.65 million shares. Power Generation and Fertilizer sectors contributed to the index the most, as investors jumped to sectors with stable demand, high dividend yield and USD pegged revenues in case of the Power sector, while Pharmaceuticals contributed most negatively to the index due to massive devaluation of PKR against the greenback.

Foreigners remained net buyers in FY23, as the net foreign inflow amounted to USD 4mn compared to net outflow of USD 295mn during FY22.

Going forward, we believe that the resumption of the stalled IMF program and with a caretaker government, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages and maintaining market based exchange rate. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, peaking interest rates, improving reserves, and a stable PKR, will serve as a huge booster for the Equity market which is currently trading at historic low multiples (forward PE of 3.7x), offering significant potential for a rebound. With double digits' growth in earnings expected in 2024, we expect the local stock market to deliver a strong performance in FY24.

Islamic Balance Fund:

During the period under review, Alfalah GHP Islamic Prosperity Planning Fund - Balanced posted a return of 1.28% as compared to its benchmark of 0.40%.

Islamic Moderate Fund:

During the period under review, Alfalah GHP Islamic Prosperity Planning Fund - Active posted a return of 1.27% as compared to its benchmark of 0.47%

Islamic Active Fund - II:

During the period under review, Alfalah GHP Islamic Prosperity Planning Fund - Active II posted a negative return of 0.86% as compared to its benchmark of 0.28%.

Alfalah Islamic Capital Preservation Plan 4

The fund generated a return of 1.17% against the benchmark which generated 0.47%.

Description and explanation of any significant changes in the state of affairs of the Collective Investment Scheme during the period and up till the date of the manager's report, not otherwise disclosed in the financial statements

There were no significant changes in the state of affairs during the year under review.

Disclosure on unit split (if any), comprising:-

There were no unit splits during the period.

Disclosures of circumstances that materially affect any interests of unit holders

Investments are subject to market risk.

Disclosure if the Asset Management Company or its delegate, if any, receives any soft commission (i.e. goods and services) from its broker(s) or dealer(s) by virtue of transactions conducted by the Collective Investment Scheme.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH GHP ISLAMIC PROSPERITY PLANNING FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited being the Trustee of Alfalah GHP Islamic Prosperity Planning Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

SHARIAH REVIEW REPORT
ALFALAH GHP ISLAMIC PROSPERITY PLANNING FUND

We, the Shariah Advisors of the Alfalah GHP Islamic Prosperity Planning Fund ('AGIPPF') managed by Alfalah Asset Management Limited, are issuing this report in accordance with the Trust Deed and Offering Document of the said Fund. The scope of the report is to express an opinion on the Shariah Compliance of the Fund's activities.

It is the responsibility of the Management Company of the said Fund to establish and maintain a system of internal controls to ensure compliance with issued Shariah guidelines. As Shariah Advisors, our responsibility is to express an opinion, based on our review of the representations made by the management, to the extent where such compliance can be objectively verified.

In the capacity of Shariah Advisors of the Fund, we have checked following avenues presented to us by the Management in which AGIPPF made Investment during the period from July 1, 2022 to June 30, 2023.

Investment Head	Investment Avenue
Shariah Compliant Funds	Alfalah GHP Islamic Dedicated Equity Fund Alfalah GHP Islamic Income Fund Alfalah GHP Islamic Money Market Fund Alfalah GHP Islamic Rozana Amdani Fund

We hereby certify that the Investments made by the Funds are in Compliance with Shariah principles.

According to the instructions, if any income is earned by the Fund from the investments whereby a portion of income of such investment has been derived from prohibited sources, such proportion of income of the Fund should be donated to charitable purposes. However, during the year ended June 30, 2023, no such income is earned.

May Allah bless us with Tawfeeq to accomplish these cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

For and on behalf of Shariah Advisory Board.

Mufti Shaikh Noman

INDEPENDENT AUDITORS' REPORT

To the Unit holders of Alfalah GHP Islamic Prosperity Planning Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Islamic Prosperity Planning Fund** (the Fund), which comprise the statement of assets and liabilities as at **30 June 2023**, and the income statement, statement of comprehensive income, statement of cash flows and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or give a true and fair view of) the financial position of the Fund as at 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key audit matter	How our audit addressed the key audit matter
<p>Existence and valuation of investments</p> <p>The investments (comprised of open-ended mutual funds) represent 97.92% of the Total Assets of the Fund at the year end.</p> <p>In view of the significance of existence and valuation of investments in relation to determination of the Net Asset Value of the Fund, we have considered these to be a key audit matter.</p>	<p>We performed a combination of audit procedures focusing on the existence and valuation of the investments. Our key procedures included the following:</p> <ul style="list-style-type: none"> - We tested controls over acquisition, disposals, and periodic valuation of investments portfolio. - We obtained independent confirmations for verifying the existence of the investments as on 30 June 2023. Where such confirmations

A member firm of Ernst & Young Global Limited

Key audit matter	How our audit addressed the key audit matter
Refer to Note 5 of the financial statements of the Fund for the year ended 30 June 2023 in relation to the above referred investments.	<p>were not available, we reviewed custodian statements.</p> <ul style="list-style-type: none"> - We re-performed valuations on investments in accordance with the accounting policy of the Fund. - We evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9. - We assessed the Fund's compliance with the requirements of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investments and exposure limits. - We also evaluated the adequacy of the disclosures in the financial statements regarding the investments in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

A member firm of Ernst & Young Global Limited

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation

A member firm of Ernst & Young Global Limited

precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Omer Chughtai.

Chief Executive Officer

Chief Financial Officer

Director

ALFALAH GHP ISLAMIC PROSPERITY PLANNING FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Islamic Prosperity Planning Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited [formerly Alfalah GHP Investment Management Limited], (the Management Company) and Central Depository Company of Pakistan Limited, (the Trustee) on March 15, 2016. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), on April 25, 2016.

After promulgation of Provincial Trust Acts namely "Sindh Trusts Act, 2020" (the Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan, the abovementioned Trust Deeds have been registered under the Sindh Trust Act on 13 September, 2021.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the Rules) through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at 2nd Floor, Islamic Chambers of Commerce, Industry and Agriculture Building, Clifton, Karachi, Pakistan.

1.3 The Fund is categorised as a 'Fund of Funds scheme' pursuant to the provisions contained in Circular 7 of 2009. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust Deed, the objective of the Fund is to generate returns on investment as per the respective Allocation Plan by investing in collective investment schemes in line with the risk tolerance of the investor. The duration of the fund is perpetual, however, allocation plans may have set a time frame. The objective of the Fund is to invest in units of other mutual funds or to earn income on bank deposits. The investment objectives and policy are explained in the Fund's offering document. Presently, the Fund offers following allocation plans:

- a. Alfalah GHP Islamic *Moderate Allocation Plan (MAP): The management has renamed Alfalah GHP Islamic Active Allocation Plan to Alfalah GHP Islamic Moderate Allocation Plan. The initial maturity of plan was two (2) years from the close of subscription period. However the duration of the plan has been changed to perpetual.
- b. Alfalah GHP Islamic Balanced Allocation Plan (BAP) is perpetual.
- c. Alfalah GHP Islamic Active Allocation Plan II (AAP II): The initial maturity of plan was two (2) years from the close of subscription period. However the duration of the plan has been changed to perpetual.
- d. Alfalah Islamic Capital Preservation Plan IV (CPP IV): The initial maturity of plan was (2) years from the close of subscription period. However the duration of the plan has been changed to perpetual.

During the current year, Alfalah GHP Islamic Active Allocation Plan III (AAP III) and Alfalah Islamic Capital Preservation Plan V (CPP V) were matured as per the offering document on January 27, 2023.

1.5 The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2++ (stable outlook) to the Management Company on August 31, 2023 (2022: AM2+ (stable outlook) on March 3, 2022).

1.6 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

The directors of the Management Company declare that these financial statements give a true and fair view of the state of affairs of the Fund.

2.2 Standards, interpretations and amendments to published approved accounting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2022. However, these are considered either to be not relevant or to not have any significant impact on the Fund's financial statements.

2.3 Standards, interpretations and amendments to published approved accounting standards that are not yet effective

The following amendments with respect to the accounting and standards reporting standards would be effective from the dates mentioned below against the respective amendment or improvements:

Amendments or Improvements		Effective dates (annual periods beginning on or after)
IAS 1 and IFRS Practice Statement 2	Disclosure of Accounting Policies (Amendments)	1-Jan-2023
IAS 8	Definition of Accounting Estimates (Amendments)	1-Jan-2023
IAS 12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments)	1-Jan-2023
IAS 12	International Tax Reform – Pillar Two Model Rules (Amendments)	1-Jan-2023
IAS 1	Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants (Amendments)	1-Jan-2024
IFRS 16	Lease Liability in a Sale and Leaseback (Amendments)	1-Jan-2024
IAS 7 / IFRS 7	Disclosures: Supplier Finance Arrangements (Amendments)	1-Jan-2024
IFRS 10 / IAS 28	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments)	Not yet finalised

The above standards, amendments and improvements are not expected to have any material impact on the Company's financial statements in the period of initial application.

Further, the following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan and are not expected to have any material impact on the Company's financial statements in the period of initial application.

Standard or interpretation	IASB Effective dates (annual periods beginning on or after)
IFRS 1	First-time Adoption of International Financial Reporting Standards
IFRS 17	Insurance Contracts

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- i. Classification and valuation of Investments (notes 3.2.1 and 5)
- ii. Provision for Sindh Workers' Welfare Fund
- iii. Provision against Federal Excise Duty (note 7.4)

2.5 Accounting Convention

These financial statements have been prepared under the historical cost convention, except for investments held 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less, are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Classification and subsequent measurement

3.2.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL) based on the business model of the entity

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

3.2.1.2 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

'Financial assets at fair value through profit or loss'

Basis of valuation in the units of mutual funds

The investments of the Fund in the collective investment scheme are valued on the basis of daily net assets value (NAV) announced by the management company.

The fair value of financial instruments i.e. investment in mutual funds is based on their net asset value at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

3.2.2 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted around that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.2.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.4 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Provided that, for the purpose of determining distribution of at least 90% of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, Super Tax on High Earning Persons introduced in the Finance Act, 2022 is also not applicable on funds (Section 4C of the Income Tax Ordinance, 2001).

Deferred

The Fund does not recognize deferred tax liabilities and assets as its income is exempt from tax as explained above.

3.7 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.10 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the Statement of Assets and Liabilities, is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.11 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement on the date when the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of securities classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Dividend income is recognized when the Fund's right to receive the same is established. i.e. on the commencement of date of book closure of the investee Fund declaring the dividend.
- Profit on bank balances and other income is recognized on accrual basis.

3.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.13 Earnings per unit

Earnings per unit is calculated by dividing the net income of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

3.14 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over five years in accordance with the requirements set out in the Trust Deed of the Fund and the Non- Banking Finance Companies and Notified Entities Regulations, 2008.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

Others		338,627	207,551	323	-	2,730	-	549,230
		<u>338,627</u>	<u>1,229,348</u>	<u>1,015,815</u>	<u>372,965</u>	<u>230,815</u>	<u>130,512</u>	<u>3,318,081</u>

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 151 and 150. However several withholding agents deduct tax at source based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced by the withholder.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company.

Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the cumulative amount of withholding tax has been shown under 'advances, prepayments and other receivable' as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

	<u>442,845</u>	<u>265,105</u>	<u>167,145</u>	<u>177,329</u>	<u>220,850</u>	<u>148,890</u>	<u>1,422,164</u>

- 7.1 The Management Company has charged remuneration at the rate of 1.25% (2022: 1.25%) of the average annual net assets of the Plans during the year. However, no remuneration is charged on that part of the net assets which has been invested in the mutual funds managed by the Management Company. The remuneration is paid to the Management Company on a monthly basis in arrears.
- 7.2 During the current year, an amount of Rs million (2022: Rs 0.006 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs million (2022: Rs 0.006 million) has been paid to the Management Company which acts as a collecting agent.
- 7.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge actual fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). Accordingly, Management Company has charged allocated expenses to the Fund based on its discretion subject to not being higher than actual expenses.
- 7.4 The Finance Act, 2013 has enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund as explained in note 7.2 above, the Management Company is of the view that further levy of FED is not justified.

On 04 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the year ended 30 June 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 1 July 2016, FED on services provided or rendered by Non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 01 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 0.08 million (2022: Rs 0.08 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Plans as at 30 June 2023 would have been higher by Rs. 0.12 per unit (2022: Rs 0.14 per unit) and Rs 0.04 (2022: Rs. 0.04) for Islamic Moderate Allocation Plan and Islamic Balanced Allocation Plan respectively.

Note

- 8.1** The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. The remuneration is payable to the trustee at the rate of 0.053% (2022: 0.065%) per annum of the net assets of the Fund.

The same level of trustee fee was charged during the year ended June 30, 2023.

- 8.2** During the current year, an amount of Rs 0.04 million (2022: Rs 0.04 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 0.64 million (2022: Rs 0.26 million) was paid to the Trustee which acts as a collecting agent.

9 ANNUAL FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

Under the provisions of the NBFC Regulations, a collective investment scheme is required to pay as annual fee to the SECP, an amount equal to 0.02% (2022: 0.02%) of the average annual net assets of the Fund.

13 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 are 0.43%, 0.44%, 1.32%, 0.00%, 0.81% and 0.00% (2022: 0.38%, 0.36%, 0.37%, 0.41%, 0.66% and 0.57%) which includes 0.03%, 0.03%, 0.1%, 0.00%, 0.05% and 0.00% (2022: 0.03%, 0.03%, 0.03%, 0.03%, 0.03% and 0.03%) representing government levies on Islamic Moderate Allocation Plan, Islamic Balanced Allocation Plan, Islamic Active Allocation Plan II, Islamic Active Allocation Plan III, Islamic Capital Preservation Plan IV and Islamic Capital Preservation Plan V respectively such as provision for Sindh Workers' Welfare Fund, sales taxes, federal excise duties, annual fee to the SECP etc. This ratio is within the maximum limit of 2.5% (2022: 2.5%), (excluding government levies), prescribed under the NBFC Regulations for a collective investment scheme categorised as a Shariah Compliant Fund of Funds scheme.

14 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2023 to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements during the year.

15 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include the Management Company, Funds under management of the Management Company, Bank Alfalah Limited and MAB Investment Incorporation being the associated company and holding company respectively, of the Management Company, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, the Management Company - Staff Provident Fund, directors and their close family members and key management personnel of Alfalah Asset Management Limited and Central Depository Company of Pakistan Limited (CDC) being the Trustee of the Fund, and other associated companies and connected persons. Connected persons also include any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

17 FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

17.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises three types of risk: currency risk, profit rate risk and price risk.

17.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. At present, the Fund is not exposed to currency risk as all the transactions are carried out in Pakistani Rupees.

17.1.2 Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The profit rate profile of the Fund's profit bearing financial instruments is as follows:

Variable rate instruments (financial assets)	Note	2023 -----Rupees-----	2022
Bank balances	4	<u>4,483,103</u>	<u>5,875,180</u>

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased / decreased the income statement and statement of comprehensive income by Rs 0.042 million (2022: Rs 0.059 million) and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

As at reporting date, the Fund does not hold any fixed rate instruments.

The composition of the Fund's investment may change over time. Accordingly, the sensitivity analysis prepared as at June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

Cumulative profit rate sensitivity gap		<u>5,875,180</u>	<u>-</u>	<u>-</u>		

17.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price risk arising from the Fund investments in open end mutual funds which are categorized as equity schemes. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

The table below summarizes the sensitivity of the Fund's net assets attributable to unit holders to the equity price movements as at June 30, 2023. The analysis is based on the assumption that PSX index increased / decreased by 1%, with all other variables held constant.

As at June 30, 2023, the fair value of open end mutual funds categorized as equity securities exposed to price risk was disclosed in note 5.1.

	2023	2022
Effect due to 1% increase / decrease in KSE 100 index		
Investment, net assets and income statement	<u>3,676,318</u>	<u>7,190,512</u>

17.2 Credit risk

Credit risk represents the risk of a loss if counterparties fail to perform as contracted and arises principally from bank balances, investments, profit and other receivable.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

17.2.1 Exposure to credit risk

The maximum exposure to credit risk as at June 30, 2023 was as follows:

	2023		2022	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	(Rupees)			
Bank balances	4,483,103	4,483,103	5,875,180	5,875,180
Investments	367,631,848	-	719,051,226	-
Profit receivable on bank balances	168,157	168,157	214,070	214,070
Advance and other receivables	3,101,464	3,101,464	3,318,081	3,318,081
	<u>375,384,572</u>	<u>7,752,724</u>	<u>28,458,557</u>	<u>9,407,331</u>

Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in open end mutual funds of Rs. 367.63 million (2022: Rs. 719.05 million) are not exposed to credit risk.

No financial assets were considered to be either past due or impaired at June 30, 2023 and June 30, 2022.

17.2.2 Credit quality of financial assets

The Fund held bank balances at June 30, 2023 with banks having following credit ratings:

Name of bank	Rating agency	Rating	2023	2022
			Percentage of total bank balance	
Bank Alfalah Limited	PACRA	A1+ / AA+	47.23%	60.07%
Bank Islami Pakistan Limited	PACRA	A1 / A+	32.05%	12.48%
Dubai Islamic Bank Limited	VIS	A-1+ / AA	5.52%	9.34%
Meezan Bank Limited	VIS	A-1+ / AAA	0.71%	0.68%
National Bank of Pakistan	PACRA	A1+ / AAA	12.54%	14.85%
Silk Bank Limited	VIS	A-2 / A-	0.85%	0.17%
Soneri Bank Limited	PACRA	A1+ / AA-	1.08%	2.40%
			<u>100.00%</u>	<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2023.

17.2.3 Open end mutual funds

The Fund had investments as at June 30, 2023 with open end mutual funds having following ratings:

Name of open end mutual funds	Rating agency	Rating	2023	2022
			Percentage of total investments	
Alfalah GHP Islamic Income Fund	PACRA	AA-(f)	46.83%	42.17%
Alfalah GHP Islamic Dedicated Equity Fund	Not Rated	Not Rated	15.17%	57.83%
Alfalah Islamic Rozana Amdani Fund	PACRA	AA (f)	38.00%	0.00%
			<u>100.00%</u>	<u>100.00%</u>

17.2.4 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is mainly held with various banks and securities issued by the entities having reasonably high credit rating.

17.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in short term instruments in order to maintain liquidity.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear profit at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

2023	Within 1 month	1 to 3 months	3 to 12 months	1 to 5 years	Total

Net financial assets	721,609,518	-	-	-	721,609,518

17.4 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023, the Fund held the following financial instruments measured at fair values:

2023			
Level 1	Level 2	Level 3	Total
----- Rupees -----			
Financial Assets at 'fair value through profit or loss'			
Open end mutual funds	-	367,631,848	-
			367,631,848
2022			
Level 1	Level 2	Level 3	Total
----- Rupees -----			
Financial Assets at 'fair value through profit or loss'			
Open end mutual funds	-	719,051,226	-
			719,051,226

17.5 Unit Holders' Fund risk management

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is the risk that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of Unit Holders' Fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitors capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors are updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh - – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenure also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenure as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Ban. ks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Islamic Dedicated Equity Fund

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Shariah compliant Islamic Equity Scheme (Previously Shariah Compliant Asset Allocation Scheme)

Investment Objective

The investment objective of Alfalah GHP Islamic Dedicated Equity Fund (AGIDEF) is seeking long term capital appreciation and income from a diversified portfolio developed in consistence with the principles of Shariah.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds via investments in Shariah Compliant avenues.

Equity Market Review

During FY23, the benchmark index largely remained flat and posted a slight negative return of 0.21% on account of worsening economic indicators. The index remained range bound during the year as it peaked at 43,676 level in Aug'22, however closed at a lower level of 41,453 points.

Deterioration in macro-economic indicators including a) slowdown in economic activity due to unprecedented high inflation and interest rates; b) falling forex reserves and sliding PKR due to massive external debt repayments and c) failure in resumption of the stalled IMF program, dampened investors sentiment and resulted in investors shifting allocation to low risk money market investments.

Despite record profitability posted by companies in the benchmark index in 9MFY23, the above mentioned factors kept investors away from the Equity market as average trading volume of KSE-100 index also declined by 21%YoY to 90.65 million shares. Power Generation and Fertilizer sectors contributed to the index the most, as investors jumped to sectors with stable demand, high dividend yield and USD pegged revenues in case of the Power sector, while Pharmaceuticals contributed most negatively to the index due to massive devaluation of PKR against the greenback.

Foreigners remained net buyers in FY23, as the net foreign inflow amounted to USD 4mn compared to net outflow of USD 295mn during FY22.

Going forward, we believe that the resumption of the stalled IMF program and with a caretaker government, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages and maintaining market based exchange rate. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, peaking interest rates, improving reserves, and a stable PKR, will serve as a huge booster for the Equity market which is currently trading at historic low multiples (forward PE of 3.7x), offering significant potential for a rebound. With double digits' growth in earnings expected in 2024, we expect the local stock market to deliver a strong performance in FY24.

Fund Performance

The fund generate a negative return of -1.38% against the benchmark which also generated a negative -0.83%.

Performance comparison with Benchmark

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah GHP Islamic Dedicated Equity Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	<p>Net Asset Value (NAV) (Refer note 5 to the financial statements)</p> <p>Investments constitute the most significant component of the net asset value. The investments of the Fund as at June 30, 2023 amounted to Rs. 56.247 million.</p> <p>The existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">Obtained independent confirmations for verifying the existence of the investment portfolio as at June 30, 2023 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; andRe-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH GHP ISLAMIC DEDICATED EQUITY FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2023

1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Islamic Dedicated Equity Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited (formerly Alfalah GHP Investment Management Limited) (the Management Company) and Central Depository Company of Pakistan Limited (CDC), as the Trustee. The Trust Deed was executed on April 06, 2017, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), on March 28, 2017.

During the year ended 30 June 2021, the Trust Act, 1882 has been repealed due to promulgation of Provincial Trust Act "Sindh Trusts Act, 2020" (the Trust Act). Consequently, the Fund was required to be registered under the Sindh Trusts Act and on September 9, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trusts Act.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Financing Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd floor, ST-2/A, Block-9, KDA Scheme 5, Clifton Karachi.

1.3 The Fund is categorised as a 'Shariah Compliant Islamic Equity Scheme' pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the trust deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in shariah compliant equity securities. The Fund invests in shariah compliant securities and profit bearing accounts.

1.5 The objective of the Fund is to provide equity exposure to "Fund-of-Funds". The Fund will not be actively marketed to retail or institutional investors, therefore, the Fund size may decline to zero when there are no "Fund-of-Funds" invested in the Fund. At any time when the Fund size declines to zero, the expenses of the Fund will be borne by the Management Company.

1.6 The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2++ (stable outlook) to the Management Company on August 31, 2023 (2022: AM2+).

1.7 Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not detailed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements relate to classification, valuation, and impairment of financial assets (notes 3.3 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured at 'fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.2 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.3 Financial assets

3.3.1 Classification and subsequent measurement

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the Statement of Assets and Liabilities at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at fair value through other comprehensive income (FVOCI). The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. The management considers its investment in equity securities as a group of assets and assesses them on a fair value basis and hence has classified them as fair value through profit or loss (FVTPL). Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVTPL are to be recognised in the "Income Statement".

Since all investments in equity instruments have been designated as FVTPL, the subsequent movement in the fair value of equity securities is routed through the "Income Statement".

3.3.2 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects :

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.3.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.3.4 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.3.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.4 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over five years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulations.

3.8 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours of the day on which applications are received. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load, any provision for duties and charges, and provision for transaction costs, if applicable. The sales load is payable to the investment facilitators, distributors, and the Management Company.

Units redeemed are recorded at the redemption price applicable to units for which the distributors / Management Company receive redemption applications during business hours of that date. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, duties, taxes, charges on redemption, and provision for transaction costs, if applicable.

3.12 Net asset value per unit

The net asset value (NAV) per unit as disclosed in the "Statement of Assets and Liabilities" is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.13 Revenue recognition

- Gains or losses arising on sale of investments classified as financial asset at 'fair value through profit or loss' are recorded at the date on which the transaction takes place;
- Unrealised appreciation / (diminution) arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which they arise;
- Profit income on bank balances is recognised on an accrual basis; and
- Dividend income is recognised when the right to receive the dividend is established. i.e. on the date of commencement of book closure of the investee company / institution declaring the dividend.

3.14 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.15 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / loss for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

4. BANK BALANCES

	Note	2023 ----- (Rupees) -----	2022 -----
Balances with banks in:			
- Savings accounts	4.1	170,821	557,841
- Current account	4.2	2,019,918	10,869,416
		<u>2,190,739</u>	<u>11,427,257</u>

4.1 These accounts carry profit rates ranging between 10.22% to 19.5% (2022: 5.13% to 15.5%) per annum. These include bank balance of Rs. 4,055 (2022: Rs. 4,055) maintained with Bank Alfalah Limited - Islamic Banking Division, a related party, carrying profit at the rate of 10.22% (2022: 5.13%) per annum.

4.2 This current account is maintained with Bank Alfalah Limited - Islamic Banking Division (a related party).

* Nil figures due to rounding off

** Face value of Rs. 5 per share

5.1.1 The Finance Act, 2014 introduced amendments to the Income Tax Ordinance, 2001 as a result of which companies are liable to withhold five percent of the bonus shares to be issued. The shares so withheld were only to be released if the Fund deposits tax equivalent to five percent of the value of the bonus shares issued to the Fund including the bonus shares withheld, determined on the basis of day-end price on the first day of closure of books of the issuing company.

In this regard, a constitutional petition had been filed by Collective Investment Schemes (CISs) through their Trustees in the Honourable High Court of Sindh, challenging the applicability of withholding tax provisions on bonus shares received by CISs. The petition was based on the fact that because CISs are exempt from deduction of income tax under Clause 99 Part I to the Second Schedule to the Income Tax Ordinance, 2001, the withholding tax provision should also not be applicable on bonus shares received by CISs. A stay order had been granted by the Honourable High Court of Sindh in favour of CISs.

During the year ended June 30, 2018, the Honourable Supreme Court of Pakistan passed a judgement on June 27, 2018 whereby the suits which are already pending or were to be filed in future must only be continued / entertained on the condition that a minimum of 50 percent of the tax calculated by the tax authorities is deposited with the authorities. Accordingly, the CISs were required to pay minimum 50% of the tax calculated by the tax authorities for the case to continue. The CISs failed to deposit the minimum 50% of the tax liability and accordingly the stay got vacated automatically. The CISs have filed a fresh constitutional petition vide CP 4653 dated July 11, 2019 and on July 15, 2019, the Honourable High Court of Sindh has issued notices to the relevant parties and has ordered that no third party interest on bonus shares, issued to the Funds in lieu of their investments, be created in the meantime. The matter is still pending adjudication and the Fund has included these shares in its portfolio, as the management is confident that the decision of the constitutional petition will be in favour of the CISs.

Further, the Finance Act, 2018 effective from July 1, 2018 has omitted Section 236M of Income Tax Ordinance, 2001 requiring every company quoted on stock exchange issuing bonus shares to the shareholders of the company, to withhold five percent of the bonus shares to be issued. Therefore, bonus shares issued to the Fund during the year were not withheld by the investee companies, except for The Searle Company Limited and bonus / right on shares already withheld by the investee companies.

As at June 30, 2023, the following bonus shares of the Fund were withheld by certain companies at the time of declaration of the bonus shares.

Name of the Company	2023		2022	
	Bonus Shares		Bonus Shares	
	Number of shares withheld	Market value (Rupees)	Number of shares withheld	Market value (Rupees)
Pakistan State Oil Company Limited	591	65,607	591	101,557
The Searle Company Limited	1,412	54,108	1,130	123,193
		<u>119,715</u>		<u>224,750</u>

5.1.2 The above investments include shares having a market value (in aggregate) amounting to Rs 10.172 million (2022: Rs 11.199 million) which have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in accordance with Circular No. 11 dated October 23, 2007 issued by the Securities and Exchange Commission of Pakistan. The details of shares which have been pledged are as follows:

Total as at June 30, 2022					<u>2,844,200</u>	<u>2,257,920</u>	<u>(586,280)</u>		

	Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
5.3 Net unrealised diminution on revaluation of investments classified as financial assets 'at fair value through profit or loss'			
Market value of investments	5.1 & 5.2	56,247,064	161,569,525
Less: carrying value of investments	5.1 & 5.2	(59,649,273)	(186,796,061)
		<u>(3,402,209)</u>	<u>(25,226,536)</u>
6. SECURITY DEPOSITS			
Central Depository Company of Pakistan Limited		100,000	100,000
National Clearing Company of Pakistan Limited		2,500,000	2,500,000
		<u>2,600,000</u>	<u>2,600,000</u>
7. ADVANCE, DIVIDEND, PROFIT AND OTHER RECEIVABLES			
Dividend receivable		-	98,840
Profit receivable on bank balances		14,213	23,630
Receivable against sales of investment		-	1,391,727
Advance tax	7.1	8,974	8,974
		<u>23,187</u>	<u>1,523,171</u>

7.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151 and 150. However, withholding tax on dividend, profit on bank deposits, profit on markup on margin trading system and profit on debt securities paid to the Fund has been deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on debt, profit on bank deposits and dividends amounts to Rs.0.0089 million (2022: Rs.0.0089 million).

For this purpose, Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund on dividend, profit on bank deposits, profit on margin trading system and profit on debt securities has been shown as advance tax under 'Advances, deposits and prepayments' as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

8. PRELIMINARY EXPENSES AND FLOATATION COSTS			
Balance at the beginning of the year		-	203,866
Less: amortisation during the year		-	(203,866)
Balance at the end of the year	8.1	<u>-</u>	<u>-</u>

8.1 Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the Non-Banking Finance Companies and NBFC Regulations.

	Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
9. PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY			
Management remuneration payable	9.1	190,899	327,247
Sindh sales tax payable on management remuneration	9.2	24,817	42,543
Preliminary expenses and floatation cost payable	8	57,500	57,500
Payable against allocated expenses	9.3	179,483	62,199
Payable against selling and marketing expenses	9.4	-	2,010,030
		<u>452,699</u>	<u>2,499,519</u>

9.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management remuneration as disclosed in the Offering Document, subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged remuneration at the rate of 2% (2022: 2%) per annum of daily average net assets of the Fund. The remuneration is paid to the Management Company on a monthly basis in arrears.

9.2 During the year, an amount of Rs. 0.221 million (2022: Rs. 0.711 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 0.239 million (2022: Rs. 0.772 million) has been paid to the Management Company which acts as a collecting agent.

9.3 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS). During the current year, the Management Company has charged such expenses to the Fund at the rate of 0.46% (2022: 0.12%) of the average net assets of the Fund.

9.4 The SECP has allowed the Asset Management companies to charge selling and marketing expenses in all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged selling and marketing expenses at the rate of 0.01% (2022: 1.06%) to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

10. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

	Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Trustee remuneration payable	10.1	18,922	32,560
Sindh sales tax payable on trustee remuneration	10.2	2,459	4,233
		<u>21,381</u>	<u>36,793</u>

10.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the trust deed as follows:

Average net asset value (Rupees)	Tariff per annum
Up to Rs 1,000 million	Rs. 0.7 million or 0.20% p.a. of Net Assets whichever is higher.
Over Rs 1,000 million	Rs. 2.0 million plus 0.10% per annum of net assets exceeding Rs 1 billion

10.2 During the year, an amount of Rs. 0.022 million (2022: Rs. 0.071 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh sales tax on Services Act, 2011 and an amount of Rs. 0.024 million (2022: Rs. 0.077 million) was paid to the Trustee which acts as a collecting agent.

11. ANNUAL FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

	Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Annual fee payable	11.1	<u>16,992</u>	<u>54,707</u>

11.1 Under the provisions of the NBFC Regulations, a collective investment scheme is required to pay as annual fee to the SECP, an amount equal to 0.02% (2022: 0.02%) of the average annual net assets of the Fund.

12. ACCRUED EXPENSES AND OTHER LIABILITIES

	Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Auditors' remuneration payable		577,848	431,113
Brokerage payable		150,097	234,980
Settlement charges payable		30,094	18,923
Printing charges payable		102,645	107,787
Withholding tax payable		103,549	130,757
Charity payable	12.1	146,329	345,808
Shariah advisory fee payable		197,008	285,008
		<u>1,307,570</u>	<u>1,554,376</u>

12.1 According to the instructions of the Shariah Advisory Board, any income earned by the Fund from investments, a portion of which has been held in non-shariah compliant avenues, such portion of the income of the Fund should be donated for charitable purposes directly by the Fund. Accordingly, the dividend income is recorded net of charity portion.

13. CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2023 and June 30, 2022.

14. AUDITORS' REMUNERATION

	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Annual audit fee	181,500	328,046
Review and other certification	297,154	262,436
Out of pocket expenses	47,865	68,647
Sindh sales tax	42,122	52,730
	<u>568,641</u>	<u>711,859</u>

15. TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company intends to distribute the required minimum percentage of income earned by the Fund for the year ending June 30, 2023 to the unit holders in the manner as explained above, accordingly no provision for taxation has been made in these financial statements.

16. TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 4.83% (2022: 4.81%) which includes 0.36% (2022: 0.36%) representing government levies on the Fund such as sales taxes, annual fee to the SECP etc. The TER excluding government levies is 4.47% (2022: 4.45%) which is within the maximum limit of 4.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an equity scheme.

17. TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah Asset Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates. The management considers that the transactions between the related parties / connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

19. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

The Management Company manages the market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risks: currency risk, profit rate risk and price risk.

19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

19.1.2 Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The profit rate profile of the Fund's profit bearing financial instruments is as follows:

	2023	2022
	----- Rupees -----	
Variable rate instruments (financial assets)		
Bank balances	<u>170,821</u>	<u>557,841</u>

a) Sensitivity analysis for variable rate instruments

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased / decreased the "Income Statement" and "Statement of Comprehensive Income" by Rs 142 (2022: Rs 236) and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instruments

As at reporting date, the Fund does not hold any fixed rate instruments.

The composition of the Fund's investment may change over time. Accordingly, the sensitivity analysis prepared as at June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

2023						
Effective profit rate	Exposed to profit rate risk			Not exposed to profit rate risk	Total	
	Up to three months	More than three months and up to one year	More than one year			
(Rupees)						
On-balance sheet financial instruments						
Financial assets						
Bank balances	10.22% to 19.5%	170,821	-	-	2,019,918	2,190,739
Investments		-	-	-	56,247,064	56,247,064
Security deposits		-	-	-	2,600,000	2,600,000

Advance, dividend, profit and other receivables		-	-	-	1,514,197	1,514,197
		557,841	-	-	176,553,138	177,110,979
Financial liabilities						
Payable to Alfalah Asset Management Limited - Management Company		-	-	-	2,499,519	2,499,519
Payable to Central Depository Company of Pakistan Limited - Trustee		-	-	-	36,793	36,793
Accrued expenses and other liabilities		-	-	-	1,077,811	1,077,811
		-	-	-	3,614,123	3,614,123
On-balance sheet gap		557,841	-	-	172,939,015	173,496,856
Total profit rate sensitivity gap		557,841	-	-	172,939,015	173,496,856
Cumulative profit rate sensitivity gap		557,841	557,841	557,841		

19.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price risk arising from the Fund's investments in equity securities. The Fund manages its price risk arising from investment in the equity securities by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

The table below summarizes the sensitivity of the Fund's net assets attributable to unit holders to the equity price movements as at June 30, 2023. The analysis is based on the assumption that the KMI-30 index increased / decreased by 1%, with all other variables held constant.

At June 30, 2023, the fair value of equity securities exposed to price risk is disclosed in note 5.1.

<i>Effect due to increase / decrease in KMI-30 index</i>	2023	2022
	-----Rupees-----	
Investments and net assets	562,471	1,615,695
Income statement	<u>562,471</u>	<u>1,615,695</u>

19.2 Credit risk

Credit risk represents the risk of a loss if counterparties fail to perform as contracted and arises principally from bank balances, security deposits and dividend and profit receivable,

There is a possibility of default by participants or failure of the financial market / stock exchanges, the depositories, the settlements or clearing systems, etc. Settlement risk on equity securities is considered minimal because of inherent control established in the settlement process. The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee.

19.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	2023		2022	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
Bank balances	2,190,739	2,190,739	11,427,257	11,427,257
Investments	56,247,064	-	161,569,525	-
Security deposits	2,600,000	2,600,000	2,600,000	2,600,000
Advance, dividend, profit and other receivables	14,213	14,213	1,514,197	1,514,197
	<u>61,052,016</u>	<u>4,804,952</u>	<u>177,110,979</u>	<u>15,541,454</u>

Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in listed equity securities of Rs. 56.25 million (2022: Rs. 161.57 million) are not exposed to credit risk.

No financial assets were considered to be either past due or impaired at June 30, 2023 and June 30, 2022.

19.2.2 Credit quality of financial assets

The Fund held bank balances at June 30, 2023 with banks having following credit ratings:

Banks	Rating Agency	Rating (Short Term / Long Term)	2023	2022
			% of financial assets exposed to credit risk	
Bank Alfalah Limited	PACRA	A1+ / AA+	92.38%	98.95%
Meezan Bank Limited	VIS	A-1+ / AAA	0.46%	0.06%
BankIslami Pakistan Limited	PACRA	A1 / AA-	6.54%	0.42%
Dubai Islamic Bank Pakistan Limited	VIS	A-1+ / AA	0.62%	0.06%
National Bank of Pakistan	PACRA	A1+ / AAA	0.00%	0.51%
			<u>100.00%</u>	<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2023.

19.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Funds' portfolio of financial instruments is mainly held with various banks and securities issued by the entities having reasonably high credit rating. Further investments in listed equity securities are not exposed to credit risk.

19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

2023

19.4 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023, the Fund held the following financial instruments measured at fair values:

	2023			
	Level 1	Level 2	Level 3	Total
Financial assets 'at fair value through profit or loss'	Rupees			
Listed equity securities	55,753,324	-	-	55,753,324
Exchange traded fund	493,740	-	-	493,740
	<u>56,247,064</u>	<u>-</u>	<u>-</u>	<u>56,247,064</u>
	2022			
	Level 1	Level 2	Level 3	Total
Financial assets 'at fair value through profit or loss'	Rupees			
Listed equity securities	159,311,605	-	-	159,311,605
Exchange traded fund	2,257,920	-	-	2,257,920
	<u>161,569,525</u>	<u>-</u>	<u>-</u>	<u>161,569,525</u>

During the year ended June 30, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

19.5 Unit holders' fund risk management

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is the risk that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of the unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Funds' yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all times during the life of the scheme. However, the Fund is exempt from any "Minimum Fund Size" requirement as specified under the NBFC Regulations.

20. SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenor as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banking, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Islamic Value Fund

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Conventional Asset Allocation Scheme

Investment Objective

The investment objective of Alfalah GHP Islamic Value Fund (AGIVF) is to earn a potentially high return through allocation of assets between Shari'ah Equity Instruments, Shari'ah Fixed Income Instruments and any other Shari'ah instrument as permitted by the SECP and Shari'ah Advisor. Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive and attractive return as compared to peer funds.

Equity Market Review

During FY23, the benchmark index largely remained flat and posted a slight negative return of 0.21% on account of worsening economic indicators. The index remained range bound during the year as it peaked at 43,676 level in Aug'22, however closed at a lower level of 41,453 points.

Deterioration in macro-economic indicators including a) slowdown in economic activity due to unprecedented high inflation and interest rates; b) falling forex reserves and sliding PKR due to massive external debt repayments and c) failure in resumption of the stalled IMF program, dampened investors sentiment and resulted in investors shifting allocation to low risk money market investments.

Despite record profitability posted by companies in the benchmark index in 9MFY23, the above mentioned factors kept investors away from the Equity market as average trading volume of KSE-100 index also declined by 21%YoY to 90.65 million shares. Power Generation and Fertilizer sectors contributed to the index the most, as investors jumped to sectors with stable demand, high dividend yield and USD pegged revenues in case of the Power sector, while Pharmaceuticals contributed most negatively to the index due to massive devaluation of PKR against the greenback.

Foreigners remained net buyers in FY23, as the net foreign inflow amounted to USD 4mn compared to net outflow of USD 295mn during FY22.

Going forward, we believe that the resumption of the stalled IMF program and with a caretaker government, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages and maintaining market based exchange rate. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, peaking interest rates, improving reserves, and a stable PKR, will serve as a huge booster for the Equity market which is currently trading at historic low multiples (forward PE of 3.7x), offering significant potential for a rebound. With double digits' growth in earnings expected in 2024, we expect the local stock market to deliver a strong performance in FY24.

Money Market Review

Pakistan is expected to post GDP growth of 0.29% during FY23 against 6.10% in FY22.

Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods, while the expectation for FY24 is between 23%-24% till the high base effect kicks in latter half of FY24.

In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022). Similar movement has been witnessed in secondary market yields as they have increased by average 8.14% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on July 31, 2023, where another hike in the policy rate cannot be ruled out as inflation is expected to remain elevated till Feb 2024, fueled by increase in utility tariffs and PKR devaluation.

Fund Performance

The fund generated a return of 17.47% against the benchmark which generated 6.23%.

Assets Allocation

Description and explanation of any significant changes in the state of affairs of the Collective Investment Scheme during the period and up till the date of the manager's report, not otherwise disclosed in the financial statements

There were no significant changes in the state of affairs during the year under review.

Disclosure on unit split (if any), comprising:-

There were no unit splits during the period.

Disclosures of circumstances that materially affect any interests of unit holders

Investments are subject to market risk.

INDEPENDENT AUDITORS' REPORT

To the Unit holders of Alfalah GHP Islamic Value Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Alfalah GHP Islamic Value Fund** (the Fund), which comprise the statement of assets and liabilities as at **30 June 2023**, and the income statement, statement of comprehensive income, statement of cash flows and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or give a true and fair view of) the financial position of the Fund as at 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key audit matter	How our audit addressed the key audit matter
<p>Existence and valuation of bank balances and investments</p> <p>The bank balances and investments (comprised of debt securities) represent 97.69% of the Total Assets of the Fund at the year end.</p> <p>In view of the significance of existence and valuation of bank balances and investments in relation to determination of the Net Asset Value of the Fund, we have considered these to be a key audit matter.</p> <p>Refer to Notes 4 and 5 of the financial statements of the Fund for the year ended 30</p>	<p>We performed a combination of audit procedures focusing on the existence and valuation of the bank balances and investments. Our key procedures included the following:</p> <ul style="list-style-type: none"> - We tested controls over receipts and payments, and bank reconciliations as well as acquisition, disposals, and periodic valuation of investments portfolio. - We obtained independent confirmations for verifying the existence of the bank balances and investments as on 30 June 2023. Where

© EY is a member firm of the EY network of independent member firms affiliated with the EY organization of member firms, each of which is a separate legal entity. EY is not a company.

Key audit matter	How our audit addressed the key audit matter
<p>June 2023 in relation to the above referred bank balances and investments.</p>	<p>such confirmations were not available, we reviewed bank statements and custodian statements.</p> <ul style="list-style-type: none"> - We re-performed valuations on investments in accordance with the accounting policy of the Fund. - We evaluated the appropriateness of the classification of the investments in accordance with the requirements of IFRS 9. - We obtained bank reconciliations and tested reconciling items on a sample basis. - We assessed the Fund's compliance with the requirements of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investments and exposure limits. - We also evaluated the adequacy of the disclosures in the financial statements regarding the bank balances and investments in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Matter

The financial statements of Alfalah GHP Islamic Value Fund for the year ended 30 June 2022, were audited by another auditor who expressed an unmodified opinion on those statements on 30 September 2022.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

A member firm of Ernst & Young Global Limited

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A member firm of Ernst & Young Global Limited

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Omer Chughtai.

Cash and cash equivalents at end of the year	4	350,743,103	459,955,584

The annexed notes from 1 to 26 and accompanying annexure form an integral part of these financial statements.

For Alfalah Asset Management Limited
(formerly: Alfalah GHP Investment Management Limited)

Chief Executive Officer

Chief Financial Officer

Director

ALFALAH GHP ISLAMIC VALUE FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Islamic Value Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited (formerly Alfalah GHP Investment Management Limited), (the Management Company) and Central Depository Company of Pakistan Limited, (the Trustee) on July 03, 2008. The Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules). The SECP approved the first Supplemental Trust Deed, under the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations), vide its letter No. AMCW /03/ AGIML/ AMS/02/2014 dated March 10, 2014 to modify and restate the previous Trust Deed to effectuate the amendments listed in Annexure A of the Supplemental Trust Deeds.

After promulgation of Provincial Trust Acts namely "Sindh Trusts Act, 2020" (the Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan, the abovementioned Trust Deeds have been registered under the Sindh Trust Act on 13 September, 2021.

1.2 The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the Rules) through a certificate issued by the SECP on February 3, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at 2nd Floor, Islamic Chambers of Commerce, Industry and Agriculture Building, Clifton, Karachi, Pakistan.

1.3 The Fund is categorised as a 'Shariah Compliant Islamic Income Scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 According to the Trust Deed, the objective of the Fund is to provide good total return through a combination of current income and long-term capital appreciation, consistent with reasonable investment risk in a shariah compliant manner. The Fund invests in shariah compliant deposits, profit bearing accounts, certificates of investment, Musharika and Morabaha arrangements and debt securities. The investment objectives and policy are explained in the Fund's offering document.

1.5 The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2++ (stable outlook) to the Management Company on August 31, 2023 (2022: AM2+ (stable outlook) on March 3, 2022).

1.6 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

1.7 During the year, the Fund has made a distribution of Rs. 352.76 million. However, the maximum amount of income available for distribution for the current year as per the criteria given in the constitutive documents of the Fund was Rs. 347.42 million. The Fund intends to adjust the same in the future years through subsequent available profits.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, Interpretations and amendments to published accounting and reporting standards that are not yet effective

The following amendments with respect to the accounting and standards reporting standards would be effective from the dates mentioned below against the respective amendment or improvements:

Amendments or Improvements		Effective dates (annual periods beginning on or after)
IAS 1 and IFRS Practice Statement 2	Disclosure of Accounting Policies (Amendments)	1-Jan-2023
IAS 8	Definition of Accounting Estimates (Amendments)	1-Jan-2023
IAS 12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments)	1-Jan-2023
IAS 12	International Tax Reform – Pillar Two Model Rules (Amendments)	1-Jan-2023
IAS 1	Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants (Amendments)	1-Jan-2024
IFRS 16	Lease Liability in a Sale and Leaseback (Amendments)	1-Jan-2024
IAS 7 / IFRS 7	Disclosures: Supplier Finance Arrangements (Amendments)	1-Jan-2024
IFRS 10 / IAS 28	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments)	Not yet finalised

The above standards, amendments and improvements are not expected to have any material impact on the Company's financial statements in the period of initial application.

Further, the following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan and are not expected to have any material impact on the Company's financial statements in the period of initial application.

Standard or interpretation	IASB Effective dates (annual periods beginning on or after)
IFRS 1 First-time Adoption of International Financial Reporting Standards	1-Jan-2004
IFRS 17 Insurance Contracts	1-Jan-2003

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- i. Classification and valuation of investments (notes 3.3.1 and 5)
- ii. Provision for Sindh Workers' Welfare Fund
- iii. Provision against Federal Excise Duty (note 8.3)

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured at 'fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.2 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.3 Financial assets

3.3.1 Classification and subsequent measurement

3.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

Based on the business model of the entity, however, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.3.2 Impairment other than debt securities

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.3.2.1 Impairment on debt securities

"SECP through its letter SCD/AMCW/RS/MUFAP/2017-148 dated November 21, 2017 has deferred the applicability of the impairment requirements of IFRS 9 in relation to debt securities for mutual funds and has instructed to continue following the requirements of Circular No. 33 of 2012 dated October 24, 2012 for non-performing debt securities.
has context menu"

3.3.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.3.4 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.3.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.4 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.7 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, Super Tax on High Earning Persons introduced in the Finance Act, 2022 is also not applicable on funds (section 4C of the Income Tax Ordinance, 2001).

Deferred

The Fund does not recognise deferred tax liabilities and assets as its income is exempt from tax as explained above.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Net asset value per unit

The net asset value (NAV) per unit as disclosed in the "Statement of Assets and Liabilities" is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.12 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised gains / losses arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are recorded in the period in which these arise.
- Income on debt securities and Government securities is recognised on a time proportion basis using the effective yield method.
- profit income on bank balances is recognised on an accrual basis.

3.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.14 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

- Central Depository Company of Pakistan Limited (CDC)		100,000	100,000
		<u>2,600,000</u>	2,600,000

Prepayments		<u>128,248</u>	-
		<u>3,546,187</u>	<u>3,417,312</u>

- 6.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2022, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on dividend and profit on debt amounts to Rs. 0.817 million (2022: Rs. 0.817 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of the FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7 PROFIT AND OTHER RECEIVABLES

Profit receivable on:	Note	2023 ----- (Rupees) -----	2022 -----
- Bank balances		5,044,524	3,917,838
- Sukuk certificates		53,047,114	32,800,884
- GOP Ijara Sukuks		14,607,896	3,336,452
Dividend receivable		<u>44,413</u>	<u>44,413</u>
		<u>72,743,947</u>	<u>40,099,587</u>

8 PRELIMINARY EXPENSES AND FLOATATION COSTS

At the beginning of the year			
Amortisation during the year		87,774	156,890
At the end of the year		<u>(87,774)</u>	<u>(69,116)</u>
	8.1	<u>-</u>	<u>87,774</u>

- 8.1 Preliminary expenses and floatation cost represent expenditure incurred prior to the commencement of operations of the Fund. These costs are amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulations.

9 PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY

Management remuneration payable	Note	2023 ----- (Rupees) -----	2022 -----
Management remuneration payable	9.1	94,671	243,807
Sindh sales tax payable on management remuneration	9.2	<u>12,307</u>	<u>31,695</u>
		<u>106,978</u>	<u>275,502</u>

- 9.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document, subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 0.15% (2022: 0.15%) of average annual net assets of the Fund.

The remuneration is paid to the Management Company on a monthly basis in arrears.

9.2 During the year, an amount of Rs. 0.409 million (2022: Rs. 0.401 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 0.401 million (2022: Rs. 0.393 million) has been paid to the Management Company which acts as a collecting agent.

10 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Trustee remuneration payable	10.1	175,091	144,158
Sindh sales tax payable on trustee remuneration	10.2	25,732	20,620
		<u>200,823</u>	<u>164,778</u>

10.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. The remuneration is payable to the trustee at the rate of 0.075% (2022: 0.075%) per annum of the net assets of the Fund.

10.2 During the year, an amount of Rs. 0.204 million (2022: Rs. 0.23 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 0.200 million (2022: Rs. 0.31 million) was paid to the Trustee which acts as a collecting agent.

11 ANNUAL FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN (SECP)	Note	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Annual fee payable to the SECP	11.1	426,741	458,997

11.1 Under the provisions of the NBFC Regulations, a collective investment scheme is required to pay as annual fee to the SECP, an amount equal to 0.02% (2022: 0.02%) of the average annual net assets of the Fund.

12 ACCRUED AND OTHER LIABILITIES	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Auditors' remuneration payable	552,586	604,869
Printing charges payable	67,897	70,835
Brokerage payable	77,064	20,962
Settlement charges payable	1,488,569	988,520
Shariah advisory fee payable	725,420	629,472
Charity payable	4,776	4,776
Sales load payable	290,895	290,474
Withholding tax payable	147,998	386,253
	<u>3,355,205</u>	<u>2,996,161</u>

13 CONTINGENCIES AND COMMITMENTS

There are no material contingencies and commitments outstanding as at June 30, 2023 and June 30, 2022.

14 PROFIT EARNED	2023 ----- (Rupees) -----	2022 ----- (Rupees) -----
Profit on:		
- Bank balances	59,769,399	32,572,298
- Sukuk certificates	304,667,331	147,714,843
- GOP Ijara sukuks	15,471,601	45,040,215
	<u>379,908,331</u>	<u>225,327,356</u>

15 AUDITORS' REMUNERATION

Annual audit fee	465,140	325,000
Review and other certifications	137,500	260,000
Out of pocket expenses	60,264	80,764
	<u>662,904</u>	<u>665,764</u>
Sindh sales tax on services	53,032	53,261
	<u>715,936</u>	<u>719,025</u>

16 TOTAL EXPENSE RATIO

The total expense ratio (TER) of the Fund as at June 30, 2023 results is 0.33% (2022: 0.36%) which includes 0.032% (2022: 0.049%) representing Government levies on the Fund such as sales taxes, annual fee to the SECP, etc. The prescribed limit for the ratio is 4.5% (2022: 4.5%) (excluding government levies) under the NBFC Regulations for a collective investment scheme categorised as an "asset allocation scheme".

17 TAXATION

"The income of the Fund is exempt from income tax as per clause 99 of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders as cash dividend.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2023 to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements."

18 NON SHARIAH COMPLIANT INCOME

According to the instructions of the Shariah Advisor, if any income is earned by the Fund from the investments whereby a portion of income of such investees has been derived from prohibited sources, such proportion of income of the Fund should be donated to charitable purposes. However, during the year ended June 30, 2023, no such income is earned.

19 TRANSACTIONS AND BALANCES WITH RELATED PARTIES / CONNECTED PERSONS

Related parties / connected persons include the Management Company, Funds under management of the Management Company, Bank Alfalah Limited and MAB Investment Incorporation being the associated company and holding company respectively, of the Management Company, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund, the Management Company - Staff Provident Fund, directors and their close family members and key management personnel of Alfalah Asset Management Limited and Central Depository Company of Pakistan Limited (CDC) being the Trustee of the Fund, and other associated companies and connected persons. Connected persons also include any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates. The management considers that the transactions between the related parties / connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

Remunerations to the Management Company and the Trustee of the Fund are determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

Details of transactions and balances at period / year end with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

21 FINANCIAL INSTRUMENTS - FAIR VALUE AND RISK MANAGEMENT

The risk management policy of the Fund aims to maximise the return attributable to the unit holders and seeks to minimise potential adverse effects on the Fund's financial performance. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund, the NBFC Regulations and the directives issued by the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds and are explained below:

21.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risks: currency risk, profit rate risk and price risk.

21.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. At present, the Fund is not exposed to currency risk as all the transactions are carried out in Pakistani Rupees.

21.1.2 Yield / profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The profit rate profile of the Fund's profit bearing financial instruments is as follows:

	2023	2022
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Short term sukuk	75,000,000	-
Sukuk certificates	1,625,373,591	1,331,440,086
Bank balances	<u>350,743,103</u>	<u>459,955,584</u>
	<u>2,051,116,694</u>	<u>1,791,395,670</u>
Fixed rate instruments (financial assets)		
GoP Ijara Sukuk	<u>325,541,500</u>	<u>148,965,000</u>
	<u>325,541,500</u>	<u>148,965,000</u>

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based sukuk certificates and bank balances which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 20.51 million (2022: Rs. 17.91 million) The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

A reasonably possible change of 100 basis points in profit rates on the last repricing date would have increased / decreased net income of the year and the net assets of the Fund by Rs 3.26 million (2022: 1.49 million). The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, profit rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

Particulars	2023					Total
	Effective yield / profit rate	Exposed to yield / profit risk			Not exposed to yield / profit risk

Cumulative profit rate sensitivity gap		942,800,727	1,619,091,493	2,245,815,799		

21.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. As at reporting date, the Fund is not exposed to price risk.

Debt price risk is the risk that the fair value of debt instruments decreases as a result of changes in the spread and market rate of the debt securities. As at June 30, 2023, the Fund is not exposed to any debt price risk as the Fund holds the Government securities and the debt risk pertaining to non Government securities is not material.

21.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets either in short term instruments or in investments that are traded in an active market and can be readily disposed and are considered readily realisable in order to maintain liquidity.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear profit at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the period.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

21.3 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

21.3.1 Exposure to credit risk

The maximum exposure to credit risk as at June 30, 2023 was as follows:

	2023		2022	
	Balance as per statement of assets and liabilities	Maximum exposure	Balance as per statement of assets and liabilities	Maximum exposure
----- (Rupees) -----				
Bank balances	350,743,103	350,743,103	459,955,584	459,955,584
Investments	2,025,915,091	1,700,373,591	1,480,405,086	1,331,440,086
Advance, deposits and prepayment	3,546,187	2,728,248	2,600,000	2,600,000
Profit and other receivables	71,926,008	42,004,634	40,916,899	36,763,135
	<u>2,452,130,389</u>	<u>2,095,849,576</u>	<u>1,983,877,569</u>	<u>1,830,758,805</u>

Difference in the balance as per statement of assets and liabilities and maximum exposure is due to the fact that the Fund has made the investments in GOP Ijara sukuk and has receivable of profit thereon and due to the advance taxes of Rs. 356.28 million (2022: Rs. 338.56) as these are not exposed to credit risk.

No financial assets were considered to be past due or impaired at June 30, 2023 and June 30, 2022.

21.3.2 Bank balances

The Fund held bank balances at June 30, 2023 with banks having following credit ratings:

Bank name	Rating agency	Rating (Short Term / Long Term)	2023	2022	2023	2022
			Percentage of investments		Percentage of total profit receivable on bank	
Bank Alfalah Limited	PACRA	A1+/AA+	2.69%	13.86%	0.00%	0.00%

Crescent steel and allied product ltd	PACRA	A-2 / A-	4.86%	0.00%	7.50%	0.00%
Obs agp (pvt) ltd. - sukuk	VIS	A-1+ / A+	10.87%	0.00%	15.04%	0.00%
AL BARAKA Bank limited	VIS	A-1 / A	0.00%	14.82%	0.00%	21.51%
			83.93%	89.94%	70.94%	80.16%

This excludes investments made by the Fund in Government securities namely and GoP Ijara Sukuks.

Above ratings are on the basis of available rating assigned by PACRA and VIS as of June 30, 2023.

21.3.4 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk as stated above, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk. Details of Fund's concentration of credit risk of financial instruments is as follows:

21.4	2023		2022	
	Rupees	%	Rupees	%
Commercial banks (including profit receivable)	355,787,627	16.85%	463,873,422	17.23%
Investments (including profit receivable)	1,753,420,705	83.03%	1,364,240,970	82.61%
Dividend receivable	44,413	0.00%	44,413	0.00%
National Clearing Company of Pakistan Limited (security deposit)	2,500,000	0.12%	2,500,000	0.15%
Central Depository Company of Pakistan Limited (security deposit)	100,000	0.00%	100,000	0.01%
	2,111,852,745	100.00%	1,830,758,805	100.00%

22 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted price (unadjusted) in an active market for identical assets or liabilities that the entity can access at the measurement date;
- "- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices);"
- Level 3: Inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023 and June 30, 2022, the Fund held the following assets measured at fair values:

2023				
Level 1	Level 2	Level 3	Total	
Rupees				
At fair value through profit or loss				
Sukuk certificates	-	1,625,373,591	-	1,625,373,591
Short term sukuk certificates	-	75,000,000	-	75,000,000
Government of Pakistan Ijara Sukuks	-	325,541,500	-	325,541,500
	-	2,025,915,091	-	2,025,915,091
2022				
Level 1	Level 2	Level 3	Total	
Rupees				
At fair value through profit or loss				
Sukuk certificates	-	1,331,440,086	-	1,335,873,552
GOP Ijara sukuks	-	148,965,000	-	626,724,306
	-	1,480,405,086	-	1,962,597,858

During the year ended June 30, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

23 UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

24 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenor as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banking, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah Islamic Rozana Amdani Fund

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Islamic Money Market

Investment Objective

The objective of Alfalah Islamic Rozana Amdani Fund (AIRAF) is to provide competitive returns and to meet liquidity needs of investors by providing investors a daily dividend by investing in low risk and highly liquid Shari'ah Compliant money market instruments.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive return as compared to peer funds with minimum possible risk through investing in low duration shariah compliant fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review:-

Pakistan is expected to post GDP growth of 0.29% during FY23 against 6.10% in FY22.

Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods, while the expectation for FY24 is between 23%-24% till the high base effect kicks in latter half of FY24.

In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022). Similar movement has been witnessed in secondary market yields as they have increased by average 8.14% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on July 31, 2023, where another hike in the policy rate cannot be ruled out as inflation is expected to remain elevated till Feb 2024, fueled by increase in utility tariffs and PKR devaluation.

Fund Performance

The fund's return stood at 17.07% against the benchmark return of 6.20%.

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH ISLAMIC ROZANA AMDANI FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited being the Trustee of Alfalah Islamic Rozana Amdani Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber

SHARIAH REVIEW REPORT
ALFALAH GHP ISLAMIC ROZANA AMDANI FUND

We, the Shariah Advisors of the Alfalah GHP Islamic Rozana Amdani Fund ("AIRAF") managed by Alfalah Asset Management Limited, are issuing this report in accordance with the Trust Deed dated June 25, 2020 and Offering Document dated July 17, 2020 of the said Fund. The scope of the report is to express an opinion on the Shariah Compliance of the Fund's activities.

It is the responsibility of the Management Company of the said Fund to establish and maintain a system of internal controls to ensure compliance with issued Shariah guidelines. As Shariah Advisors, our responsibility is to express an opinion, based on our review of the representations made by the management, to the extent where such compliance can be objectively verified.

In the capacity of Shariah Advisors of the Fund, we have reviewed and given approval for investment in following avenues during the period from July 01, 2022 to June 30, 2023.

Investment Avenue
<i>Approved Shariah Compliant Sukuk</i>
<i>Approved Islamic Commercial Papers</i>
<i>Approved Bai Muajjal Transactions</i>
<i>Term Deposit Receipts with Approved Islamic Banks</i>

We hereby certify that all the above-mentioned investments and all the provisions of the scheme made by the Fund are in compliance with the Shariah principles.

According to the instructions, if any income is earned by the Fund from the investments whereby a portion of income of such investment has been derived from prohibited sources, such proportion of income of the Fund should be donated to charitable purposes. However, during the year ended June 30, 2023, no such income is earned.

May Allah bless us with Tawfeeq to accomplish these cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

For and on behalf of Shariah Advisory Board.

Mufti Shaikh Noman
Shariah Advisor

Mufti Javed Ahmad
Shariah Board Member

Alfalsh Asset Management Limited

STATEMENT OF COMPLIANCE WITH SHARIAH PRINCIPLES

Alfalah Islamic Rozana Amdani Fund has fully complied with the Shariah principles specified in the Trust Deed and the guidelines issued by the Shariah Advisor for its operations, investments and placements made during the year ended June 30, 2023. This has been duly confirmed by the Shariah Advisor of the Fund.

Dated: September 28, 2023

Mr. Khaldoon Bin Latif
Chief Executive Officer

INDEPENDENT AUDITOR'S REPORT

To the Unit Holders of Alfalah Islamic Rozana Amdani Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah Islamic Rozana Amdani Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the year ended June 30, 2023 in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (NAV) (Refer notes 4 and 5 to the financial statements)	
	<p>The bank balances and investments constitute the most significant component of the net asset value. The investments of the Fund as at June 30, 2023 amounted to Rs. 13,095.26 million and bank balances aggregated to Rs. 17,510.78 million.</p> <p>The existence and proper valuation of investments and existence of bank balances for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">▪ Obtained independent confirmations for verifying the existence of the investment portfolio and bank balances as at June 30, 2023 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;▪ Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and▪ Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor’s report is **Junaid Mesia**.

The annexed notes from 1 to 25 and annexure form an integral part of these financial statements.

For Alfalah Asset Management Limited
(formerly: Alfalah GHP Investment Management Limited)

Chief Executive Officer

Chief Financial Officer

Director

ALFALAH ISLAMIC ROZANA AMDANI FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Alfalah Islamic Rozana Amdani Fund (the Fund) is an open-end collective investment scheme established through a Trust Deed under the Trust Act, 1882, executed between Alfalah Asset Management Limited (Formerly Alfalah GHP Investment Management Limited, (the Management Company) and Central Depository Company of Pakistan Limited (CDC), as the Trustee. The Trust Deed was executed on May 19, 2020, and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the NBFC (Establishment and Regulation) Rules, 2003 (the NBFC Rules) on June 25, 2020.
- 1.2** During the year ended June 30, 2021, The Trust Act, 1882 had been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trust Act, 2022" (the Sindh Trust Act). Consequently, the Fund is required to be registered under the Sindh Trust Act. Accordingly, on September 13, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.
- 1.3** The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.4** The Fund has been categorised as a 'Shari'ah Compliant Money Market Scheme' by the Board of Directors of the Management Company pursuant to the provisions contained in circular 7 of 2009. The units of the Fund were initially offered for public subscription at a par value of Rs.100 per unit. Thereafter, the units were being offered for public subscription on a continuous basis from September 21, 2020 and are transferable and redeemable by surrendering them to the Fund.
- 1.5** The objective of the Fund is to provide competitive returns and to meet liquidity needs of investors by providing investors a daily pay-out by investing in low risk and highly liquid Shariah Compliant money market instruments. The Management Company has appointed Mufti Atta Ullah and Mufti Javed Ahmad as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.
- 1.6 The Fund has the following specific features:**
- (a) Dividend will be distributed to the entitled unit holders on a daily basis (i.e. each business day).
 - (b) Daily dividend received by the unit holder shall be reinvested.
- By distributing dividend on a daily basis, the Management Company is required to ensure that total distribution in an accounting period accumulates to an amount that is required under the tax laws and other regulations in force.
- 1.7** The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2+ (stable outlook) to the Management Company on March 3, 2023 (2022: AM2+ dated March 3, 2022) and AA(f) to the Fund in its credit rating report dated April 14, 2023 (2021: AA(f) dated May 07, 2022).
- 1.8** The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of these financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

By distributing dividend on a daily basis, the Management Company is required to ensure that total distribution in an accounting period accumulates to an amount that is required under the tax laws and other regulations in force.

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Bai Muajjal

Bai Muajjal transactions represent sales of Sukuks and Islamic Commercial Papers on a deferred payment basis. The difference between the deferred payment amount receivable and the carrying value at the time of sale is accrued and recorded as income over the term of the transaction.

3.3 Financial assets

3.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.3.2 Classification and subsequent measurement

a) Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost ;
- at fair value through other comprehensive income (FVOCI);
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

b) Impairment

The Fund assesses on a forward looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted around that is determined by evaluating a range of possible outcomes;

- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

c) Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

3.3.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.3.4 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.4 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently measured at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.7 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.8 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund.

3.9 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.10 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company receives redemption applications during business hours on that date. The redemption price represents NAV as on the close of business day, less any duties, taxes, charges on redemption and provision for transactions costs, if applicable.

3.11 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the period also includes portion of income already paid on units redeemed during the period.

Distributions declared subsequent to the period end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.12 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.13 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place;
- Profit on term deposit receipts and commercial papers is recognised on time proportion basis using the effective yield;
- Income on sukuk certificates is recognised on a time proportionate basis using the effective yield method except for the securities which are classified as non-performing asset under Circular 33 of 2012 issued by SECP for which the profits are recorded on cash basis;
- Income on bai Muajjal is recognised on time proportion basis, the difference between the sale and the credit price is recognised over the credit period; and
- Profit on bank balances is recognised on an accrual basis.

3.14 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.15 Earnings per unit

Earnings per unit is calculated by dividing the net income for the period after taxation of the Fund by the weighted average number of units outstanding during the period.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

4	BANK BALANCES	Note	2023	2022
			----- (Rupees) -----	
	In savings accounts	4.1	17,355,768,220	5,270,159,471
	In current account		155,010,000	
			<u>17,510,778,220</u>	<u>5,270,159,471</u>

4.1 These accounts carry profit rates ranging from 5.50% to 20.50% (2022: 5.60% to 15.50%) per annum. These include bank balance of Rs 2,686.34 million (2022: 3.07 million) which is maintained with Bank Alfalah Limited (a related party), having profit rate of 20.25%.

6 DEPOSIT, ADVANCE AND PROFIT RECEIVABLES

Note ----- (Rupees) -----

Profit receivable on:

Bank balances		252,372,845	53,195,597
Term deposit receipts		66,322,432	-
Short term sukuk certificates		313,774,509	37,567,597
		632,469,786	90,763,194
Advance tax	6.1	3,763,016	3,763,016
PACRA rating fee		-	93,820
Security Deposit with Central Depository Company of Pakistan Limited - Trustee		100,000	100,000
		<u>636,332,802</u>	<u>94,720,030</u>

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the period ended June 30, 2022, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on debt amounts to Rs. Nil (2022: Rs. 3.240 million) during the year.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7 PRELIMINARY EXPENSES AND FLOATATION COSTS

Note ----- (Rupees) -----

Balance at beginning	7.1	2,083,404	2,730,789
Less: amortised during the year		647,385	647,385

8.2 During the year, an amount of Rs.9.994 million (2022: Rs.1.610 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 8.579 million (2022: Rs. 1.568 million) has been paid to the Management Company which acts as a collecting agent.

8.3 The SECP has allowed the Asset Management companies to charge selling and marketing in all categories of open-end mutual funds up to a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged selling and marketing expenses at the rate of 0.109% (2022: 0.0331%) to the Fund based on its direction subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

8.4 The SECP has allowed the Asset Management companies to charge allocated expense in all categories of open-end mutual funds up to a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged allocated expense at the rate of 0.092% (2022: Nil) to the Fund based on its direction subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

16 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 0.83% (2022: 0.45%) which includes 0.09% (2022: 0.06%) representing government levies on the Fund such as provision against Sindh Workers' Welfare Fund, sales taxes, federal excise duties, annual fee to the SECP etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a money market scheme.

17 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements.

18 TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

20 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

20.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, profit rate risk and price risk.

20.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

20.1.2 Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The profit rate profile of the Fund's profit bearing financial instruments, as at June 30, 2023, is as follows:

	January 0, 1900	2022
	----- (Rupees) -----	
Variable rate instruments (financial assets)		
Bank balances	17,510,778,220	5,270,159,471
Sukuk certificates	5,333,000,000	1,350,000,000
	<u>22,843,778,220</u>	<u>6,620,159,471</u>
Fixed rate instruments (financial assets)		
Bai Muajjal receivable	4,337,260,239	-
Term deposit receipts	3,425,000,000	-
	<u>7,762,260,239</u>	<u>-</u>

a) Sensitivity analysis for variable rate instrument

Presently, the Fund holds KIBOR based sukuk certificates and bank balances which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the period and net assets of the Fund would have been higher / lower by Rs. 228.92 million (2022: Rs 66.20). The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

The funds' fixed rate risk arises from the investment in term deposits and bai Muajjal. As of June 30, 2023, in case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the period and net assets of the Fund would have been higher / lower by Rs. 77.62 million (2022: Rs Nil). The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

		----- 2023 -----				
Effective yield / profit rate		Exposed to yield / profit risk			Not exposed to yield / profit rate risk	Total
		Upto three months	More than three months and up to one year	More than one year

20.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

20.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

20.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	----- 2023 -----		----- 2022 -----	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	----- (Rupees) -----		----- (Rupees) -----	
Bank balances	17,510,778,220	17,510,778,220	5,270,159,471	5,270,159,471
Investments	13,095,260,239	13,095,260,239	1,350,000,000	1,350,000,000
Deposits and profit receivables	632,569,786	632,569,786	90,863,194	90,863,194
	<u>31,238,608,245</u>	<u>31,238,608,245</u>	<u>6,711,022,665</u>	<u>6,711,022,665</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2023 is the carrying amount of the financial assets.

No financial assets were considered to be past due or impaired as at June 30, 2023.

20.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2023 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	2023	2022
			% of financial assets exposed to credit risk	% of financial assets exposed to credit risk
Allied Bank Limited	PACRA	A1+ / AAA	0.06%	50.47%
Askari Bank Limited	PACRA	A1+ / AA+	0.00%	0.00%
Bank Al Habib	PACRA	A1+ / AAA	0.06%	0.00%
Bank Alfalah Limited	PACRA	A1+ / AA+	23.94%	0.06%
Dubai Islamic Bank Pakistan Limited	VIS	A-1+ / AA	0.00%	5.98%
Faysal Bank Limited	PACRA	A1+ / AA	42.71%	43.44%
Habib Metropolitan Bank Limited	PACRA	A1+ / AA+	0.00%	0.00%
National Bank of Pakistan	PACRA	A-1+ / AAA	26.37%	0.00%
Central Depository Company of Pakistan Limited	N/A	N/A	0.00%	0.05%
United Bank Limited- Ameen	VIS	A-1+ / AAA	6.86%	0.00%
Habib Bank Limited	VIS	A-1+ / AAA	0.00%	0.00%
			100.00%	100.00%

Above ratings are on the basis of available ratings assigned by PACRA and VIS as of June 30, 2023.

Ratings of bai Muajjal receivable, term deposit receipts, commercial papers and sukuk certificates have been disclosed in related notes to financial statements.

20.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk as stated above, the Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

20.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets up to 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

2023

21 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

21.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023, the Fund held the following financial instruments measured at fair values:

----- 2023 -----			
Level 1	Level 2	Level 3	Total
----- (Rupees) -----			
At fair value through profit or loss			
Bai Muajjal receivable*	-	4,337,260,239	-
Term deposit receipts**	-	3,425,000,000	-
Short term sukuk certificates**	-	5,333,000,000	-
	-	13,095,260,239	-
	-	-	13,095,260,239
----- 2022 -----			
Level 1	Level 2	Level 3	Total
----- (Rupees) -----			
At fair value through profit or loss			
Short term sukuk certificates**	-	1,350,000,000	-
	-	-	1,350,000,000
	-	-	1,350,000,000

*The valuation of commercial papers and Bai Muajjal receivable have been carried out based on amortisation to their face values / sale price as per the guidelines given in Circular 33 of 2012 since the residual maturity of these investments is less than six months and they are placed with counterparties which have high credit ratings.

**The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

During the year, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

22 UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year.

23 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenor as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banking, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

ALFALAH GHP ISLAMIC PROSPERITY PLANNING FUND - II

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Shariah Compliant Fund of Funds Scheme

Investment Objective

Alfalāh GHP Islamic Prosperity Planning Fund is an Open-ended Shariah Complaint Fund of Funds Scheme that aims to generate returns on investment as per the respective Allocation Plan by investing in Shariah complaint Mutual funds in line with the risk tolerance of the investor.

Accomplishment of Objective

The Fund has achieved its objective of generating higher return by investing in a mix of underlying fixed income and equity based mutual funds within the guidelines provided under NBFC rules.

Money Market

Pakistan is expected to post GDP growth of 0.29% during FY23 against 6.10% in FY22. Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods, while the expectation for FY24 is between 23%-24% till the high base effect kicks in latter half of FY24. In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022). Similar movement has been witnessed in secondary market yields as they have increased by average 8.14% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on July 31, 2023, where another hike in the policy rate cannot be ruled out as inflation is expected to remain elevated till Feb 2024, fueled by increase in utility tariffs and PKR devaluation.

Equity Market Review

During FY23, the benchmark index largely remained flat and posted a slight negative return of 0.21% on account of worsening economic indicators. The index remained range bound during the year as it peaked at 43,676 level in Aug'22, however closed at a lower level of 41,453 points.

Deterioration in macro-economic indicators including a) slowdown in economic activity due to unprecedented high inflation and interest rates; b) falling forex reserves and sliding PKR due to massive external debt repayments and c) failure in resumption of the stalled IMF program, dampened investors sentiment and resulted in investors shifting allocation to low risk money market investments.

Despite record profitability posted by companies in the benchmark index in 9MFY23, the above mentioned factors kept investors away from the Equity market as average trading volume of KSE-100 index also declined by 21%YoY to 90.65 million shares. Power Generation and Fertilizer sectors contributed to the index the most, as investors jumped to sectors with stable demand, high dividend yield and USD pegged revenues in case of the Power sector, while Pharmaceuticals contributed most negatively to the index due to massive devaluation of PKR against the greenback.

Foreigners remained net buyers in FY23, as the net foreign inflow amounted to USD 4mn compared to net outflow of USD 295mn during FY22.

Going forward, we believe that the resumption of the stalled IMF program and with a caretaker government, the focus will likely be on preserving macroeconomic stability ensuring prudent monetary policy, avoiding fiscal slippages and maintaining market based exchange rate. This will provide much-needed clarity and assurance for the economic plan.

A favorable macroeconomic outlook i.e. falling inflation, peaking interest rates, improving reserves, and a stable PKR, will serve as a huge booster for the Equity market which is currently trading at historic low multiples (forward PE of 3.7x), offering significant potential for a rebound. With double digits' growth in earnings expected in 2024, we expect the local stock market to deliver a strong performance in FY24.

(Alfalah Islamic Capital Preservation Plan 6).

During the period under review, Alfalah Islamic Capital Preservation Plan 6 - Balanced posted a return of 1.48% as compared to its benchmark of -0.01%.

Asset Allocation as at June 2023

Description and explanation of any significant changes in the state of affairs of the Collective Investment Scheme during the period and up till the date of the manager's report, not otherwise disclosed in the financial statements

There were no significant changes in the state of affairs during the year under review.

Disclosure on unit split (if any), comprising: -

There were no unit splits during the period.

Disclosures of circumstances that materially affect any interests of unit holders

Investments are subject to market risk.

Disclosure if the Asset Management Company or its delegate, if any, receives any soft commission (i.e. goods and services) from its broker(s) or dealer(s) by virtue of transactions conducted by the Collective Investment Scheme.

No soft commissions are received by the AMC from its brokers or dealers by virtue of transactions conducted by the Collective Investment Scheme.

STATEMENT OF COMPLIANCE WITH SHARIAH PRINCIPLES

ALFALAH GHP ISLAMIC PROSPERITY PLANNING FUND - II has fully complied with the Shariah principles specified in the Trust Deed and the guidelines issued by the Shariah Advisor for its operations, investments and placements made during the year ended June 30, 2023. This has been duly confirmed by the Shariah Advisor of the Fund.

Dated: September 28, 2023

Mr. Khaldoun Bin Latif
Chief Executive Officer

INDEPENDENT AUDITOR'S REPORT

To the Unit Holders of Alfalah GHP Islamic Prosperity Planning Fund- II

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah GHP Islamic Prosperity Planning Fund - II (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the year ended June 30, 2023 in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (NAV) (Refer note 5 to the financial statements)	
	<p>Investments constitute the most significant component of the net asset value. The investments of the Fund as at June 30, 2023 amounted to Rs.174.498 million.</p> <p>The existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">▪ Obtained independent confirmations for verifying the existence of the investment portfolio as at June 30, 2023 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; and▪ Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

Director

ALFALAH GHP ISLAMIC PROSPERITY PLANNING FUND - II
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Alfalah GHP Islamic Prosperity Planning Fund II was established under a Trust Deed under the Sindh Trust Act, 2020 between Alfalah Asset Management Limited (formerly 'Alfalah GHP Investment Management Limited') [the Management Company] and Central Depository Company of Pakistan Limited (the Trustee). The Trust Deed was executed on August 24, 2021 and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the NBFC (Establishment and Regulation) Rules, 2003 (NBFC Rules).

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate issued by the SECP on March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry and Agricultural Building, 2nd Floor, ST 2/A, Block 9, KDA Scheme 5, Clifton, Karachi.

1.2 The objective of the Fund is to generate returns on investment as per the respective Allocation Plan by investing in collective investment schemes in line with the risk tolerance of the investor. The duration of the fund is perpetual, however, allocation plans may have a set time frame. Presently, the fund offers following allocation plans :

a. Alfalah Islamic Capital Preservation Plan – 6 (AICPP-6) : The initial maturity of this plan is two (2) years from the close of the subscription period.

1.3 The Fund commenced its operations from March 11, 2022. The Fund is categorised as a 'Shariah Compliant Fund of Funds Scheme' pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

1.4 The Pakistan Credit Rating Agency (PACRA) Limited has assigned an asset manager rating of AM2++ on August 31, 2023 (June, 30 2022: AM2+) (stable outlook) to the Management Company.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2022. However, these are considered either to be not relevant or to not have any significant impact on the Fund's financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements relate to classification, impairment and valuation of financial instruments (notes 3.2 and 5).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.2.2 Classification

Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost;
- at fair value through other comprehensive income (FVOCI); or
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

The investments of the Fund includes investments in units of mutual funds which are categorised as puttable instruments and are mandatorily required to be classified as fair value through profit or loss.

3.2.3 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

'Financial assets at fair value through profit or loss'

Basis of valuation in the units of mutual funds

The investments of the Fund in the collective investment scheme are valued on the basis of daily net assets value (NAV).

The fair value of financial instruments i.e. investment in mutual funds is based on their net asset value at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss'.

3.2.4 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

3.2.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 2 years in accordance with the requirements set out in the Trust Deed of the Fund.

3.8 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.9 Unit holders' Fund

Unit holders' Fund of each allocation plan representing the units issued by each respective sub fund separately, is carried at the redemption amount representing the investors' right to a residual interest in the respective sub fund's net assets.

3.10 Issue and redemption of units

Units issued are recorded at the offer price of each allocation plan, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price of each allocation plan prevalent on the date on which the Management Company receives redemption applications during business hours on that date. The redemption price represents NAV as on the close of business day, less any duties, taxes, charges on redemption and provision for transactions costs, if applicable.

3.11 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.12 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.13 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of securities classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Dividend income is recognized when the Fund's right to receive the same is established. i.e. on the commencement of date of book closure of the investee Fund declaring the dividend.
- Profit on bank balances is recognised on an accrual basis.

3.14 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.15 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

6 ADVANCES AND PROFIT RECEIVABLE

Profit receivable		63,796	59,998
Advance tax	6.1	125,579	-
		<u>189,375</u>	<u>59,998</u>

- 6.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the year ended June 30, 2021, withholding tax on profit on bank deposits paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on bank deposits amounts to Rs. 0.126 million (2022: Nil).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Honourable Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as other receivables as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

13 AUDITORS' REMUNERATION

14 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 0.9% (June 30, 2022:0.99%) which includes 0.03% (June 30, 2022:0.03%) representing government levies on the Fund such as provision against Sindh Workers' Welfare Fund, sales taxes, federal excise duties, annual fee to the SECP etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as a money market scheme.

15 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2023 to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements.

16 TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Related parties / connected persons include Alfalah Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, GHP Beteiligungen Holding Limited, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, other charges, sale and purchase of investment and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

Remuneration of the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.

Details of transactions and balances with related parties / connected persons, other than those which have been disclosed elsewhere in these financial statements, are as follows:

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / profit rate risk and price risk.

18.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

18.1.2 Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The profit rate profile of the Fund's profit bearing financial instruments, as at June 30, 2023, is as follows:

June 30, 2023	June 30, 2022
AICPP – 6	AICPP – 6
----- (Rupees) -----	

Variable rate instruments (financial assets)

Bank balances

133,702	255,625
133,702	255,625

a) Sensitivity analysis for variable rate instrument

Presently, the Fund has KIBOR based bank balances which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year / period and net assets of the Fund would have been higher / lower by Rs 0.001 million (June 30, 2022 Rs 0.003 million). The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

The Fund does not have any investment in fixed rate instrument as of June 30, 2023 therefore it is not exposed to any fair value profit rate risk.

The composition of the Fund's investment portfolio, KIBOR rates and the rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

Alfalsh Islamic Capital Preservation Plan – 6

Effective yield / profit rate	2023			Not exposed to yield / profit rate risk	Total
	Exposed to yield / profit risk				
	Upto three months	More than three months and up to one year	More than one year

18.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price risk arising from the Fund investments in open end mutual funds which are categorized as equity schemes. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

The table below summarizes the sensitivity of the Fund's net assets attributable to unit holders to the equity price movements as at June 30, 2023. The analysis is based on the assumption that PSX index increased / decreased by 1%, with all other variables held constant.

As at June 30, 2023, the fair value of open end mutual funds categorized as equity securities exposed to price risk was disclosed in note 5.1.

	2023	2022
	-----Rupees-----	
Effect due to increase / decrease in KSE 100 Index		
Investments and net assets	34,924	-
Income Statement	<u>34,924</u>	<u>-</u>

18.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

18.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	2023		2022	
	AICPP - 6		AICPP - 6	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	(Rupees)		(Rupees)	
Bank balances	133,702	133,702	255,625	255,625
Investments	174,497,749	-	157,387,646	-
Profit receivable	63,796	63,796	59,998	59,998
	<u>174,695,247</u>	<u>197,498</u>	<u>157,703,269</u>	<u>315,623</u>

Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in units of mutual funds are not exposed to credit risk.

The maximum exposure to credit risk before any credit enhancement as at June 30, 2023 is the carrying amount of the financial assets.

No financial assets were considered to be past due or impaired as at June 30, 2023.

18.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2023 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	2023	2022
			% of financial assets exposed to credit risk	% of financial assets exposed to credit risk
Alfalah Islamic Capital Preservation Plan – 6				
Allied Bank Limited	PACRA	A1+ / AAA	51.64%	66.78%
Bank Alfalah Limited	PACRA	A1+ / AA+	40.88%	33.22%
Faysal Bank Limited	PACRA	A1+ / AA	7.48%	0.00%
			<u>100.00%</u>	<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA as of June 30, 2023.

Ratings of other instruments have been disclosed in related notes to financial statements.

18.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk as stated above, the Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

18.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear profit at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining year at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

----- 2023 -----

19 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

19.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023, the Fund held the following financial instruments measured at fair values:

2023			
Level 1	Level 2	Level 3	Total
(Rupees)			

At fair value through profit or loss

- Units of open end mutual funds	-	174,497,749	-	174,497,749
	-	174,497,749	-	174,497,749

2022			
Level 1	Level 2	Level 3	Total
(Rupees)			

At fair value through profit or loss

- Units of open end mutual funds	-	157,387,646	-	157,387,646
	-	157,387,646	-	157,387,646

20 UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the year ended June 30, 2023.

21 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

22 GENERAL

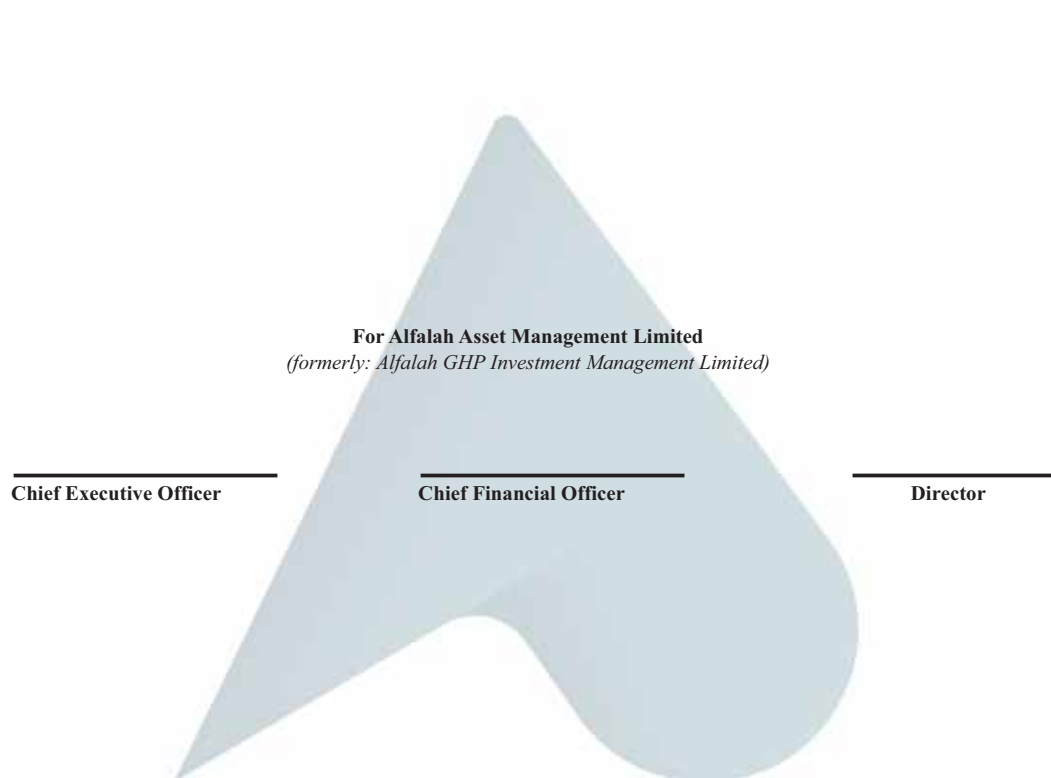

Figures have been rounded off to the nearest rupee.

23 CORRESPONDING FIGURES

Corresponding figures have been re-classified and re-arranged in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications have been made in these financial statements during the current year.

24 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue on **25 August 2023** by the Board of Directors of the Management Company.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenor also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenor as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh – Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banking, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

(iv) ATTENDANCE AT MEETINGS OF BOARD OF DIRECTORS

The 103rd, 104th, 105th, 106th, 107th and 108th Board Meetings were held on 25 August 2022, 26 October 2022, 10 January 2023, 23 February 2023, 17 April 2023 and 22 June 2023 respectively.

Alfalah GHP Islamic Money Market Fund

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Islamic Money Market

Investment Objective

The objective of Alfalah Islamic Money Market Fund (AIMMF) is to provide competitive returns and to meet liquidity needs of investors by providing investors a daily dividend by investing in low risk and highly liquid Shari'ah Compliant money market instruments.

Accomplishment of Objective

The Fund has strived to achieve its objective as it provided the unit holders a competitive return as compared to peer funds with minimum possible risk through investing in low duration shariah compliant fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review:-

Pakistan is expected to post GDP growth of 0.29% during FY23 against 6.10% in FY22.

Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods, while the expectation for FY24 is between 23%-24% till the high base effect kicks in latter half of FY24.

In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022). Similar movement has been witnessed in secondary market yields as they have increased by average 8.14% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on July 31, 2023, where another hike in the policy rate cannot be ruled out as inflation is expected to remain elevated till Feb 2024, fueled by increase in utility tariffs and PKR devaluation.

Fund Performance

During FY23, Alfalah Islamic Money Market Fund (AIMMF) generated a return of 19.88% while the benchmark of the fund generated 6.77%

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH ISLAMIC MONEY MARKET FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Alfalah Islamic Money Market Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the period from April 13, 2023 to June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

For the purpose of information, we would like to draw the attention of the unit holders towards the requirement of Circular No. 11 of 2022, which states that the cumulative exposure in commercial paper and/or short term sukuk shall not exceed 20% of net assets of the Fund. In this regard, the Fund was non-compliant with the said requirement from April 20, 2023 to May 23, 2023 due to decrease in net assets with total exposure of 27.02% to 48.83% of the net assets. The said non-compliance has also been reported to the Commission.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi: September 28, 2023

SHARIAH REVIEW REPORT
ALFALAH GHP ISLAMIC MONEY MARKET FUND

We, the Shariah Advisors of the Alfalah GHP Islamic Money Market Fund ('AIMMF') managed by Alfalah Asset Management Limited, are issuing this report in accordance with the Trust Deed dated March 03, 2023 and Offering Document dated April 13, 2023 of the said Fund. The scope of the report is to express an opinion on the Shariah Compliance of the Fund's activities.

It is the responsibility of the Management Company of the said Fund to establish and maintain a system of internal controls to ensure compliance with issued Shariah guidelines. As Shariah Advisors, our responsibility is to express an opinion, based on our review of the representations made by the management, to the extent where such compliance can be objectively verified.

In the capacity of Shariah Advisors of the Fund, we have reviewed and given approval for investment in following avenues during the period from July 01, 2022 to June 30, 2023.

Investment Avenue
<i>Approved Shariah Compliant Sukuk</i>
<i>Approved Islamic Commercial Papers</i>
<i>Approved Bai Muajjal Transactions</i>
<i>Term Deposit Receipts with Approved Islamic Banks</i>

We hereby certify that all the above-mentioned investments and all the provisions of the scheme made by the Fund are in compliance with the Shariah principles.

According to the instructions, if any income is earned by the Fund from the investments whereby a portion of income of such investment has been derived from prohibited sources, such proportion of income of the Fund should be donated to charitable purposes. However, during the year ended June 30, 2023, no such income is earned.

May Allah bless us with Tawfeeq to accomplish these cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

For and on behalf of Shariah Advisory Board.

Mufti Shaikh Noman
Shariah Advisor

Mufti Javed Ahmad
Shariah Board Member

STATEMENT OF COMPLIANCE WITH SHARIAH PRINCIPLES

ALFALAH GHP ISLAMIC PROSPERITY PLANNING FUND - II has fully complied with the Shariah principles specified in the Trust Deed and the guidelines issued by the Shariah Advisor for its operations, investments and placements made during the year ended June 30, 2023. This has been duly confirmed by the Shariah Advisor of the Fund.

Dated: September 28, 2023

Mr. Khaldoun Bin Latif
Chief Executive Officer

INDEPENDENT AUDITOR'S REPORT

To the Unit Holders of Alfalah Islamic Money Market Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah Islamic Money Market Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the period from April 13, 2023 to June 30, 2023, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the period from April 13, 2023 to June 30, 2023 in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (NAV) (Refer notes 5 and 6 to the financial statements)	
	<p>The bank balances and investments constitute the most significant component of the net asset value. The investments of the Fund as at June 30, 2023 amounted to Rs. 2,070.00 million and bank balances aggregated to Rs. 5,465.04 million.</p> <p>The existence and proper valuation of investments and existence of bank balances for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">• Obtained independent confirmations for verifying the existence of the investment portfolio and bank balances as at June 30, 2023 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;• Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and• Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

ALFALAH GHP ISLAMIC MONEY MARKET FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT

FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Alfalah Islamic Money Market Fund (the Fund) was established under a Trust Deed executed between Alfalah Asset Management Limited Company (formerly Alfalah GHP Investment Management Limited) the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The offering document was executed on April 5, 2023 under Sindh Trusts Act, 2020 and was approved by the Securities and Exchange Commission of Pakistan (SECP) in accordance with the NBFC (Establishment and Regulation) Rules, 2003 (the NBFC Rules) on April 5, 2023
- 1.2** The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3** The Fund has been categorised as a 'Shari'ah Compliant Money Market Scheme' by the Board of Directors of the Management Company pursuant to the provisions contained in circular 7 of 2009. The units of the Fund were initially offered for public subscription at a par value of Rs.100 per unit. Thereafter, the units were being offered for public subscription on a continuous basis from April 13, 2023 and are transferable and redeemable by surrendering them to the Fund.
- 1.4** The investment objective of the Fund is to generate regular and stable returns by investing primarily in Shariah Compliant Banks and windows of conventional Banks and any other Shariah compliant money market instruments.
- 1.5** The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2++ to the Management Company on August 31, 2023.
- 1.6** The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.
- 1.7** As per offering document approved by SECP, the accounting period, in case of the first period, shall commence from the date on which the trust property is first paid or transferred to the Trustee. Accordingly, these financial statements have been prepared from April 13, 2023.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current period

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after April 13, 2023. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements relate to classification, impairment and valuation of financial assets (notes 5 and 4.3).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below.

4.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

4.2 Bai Muajjal

Bai Muajjal transactions represent sales of Sukuks and Islamic Commercial Papers on a deferred payment basis. The difference between the deferred payment amount receivable and the carrying value at the time of sale is accrued and recorded as income over the term of the transaction.

4.3 Financial assets

4.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

4.3.2 Classification and subsequent measurement

a) Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost ;
- at fair value through other comprehensive income (FVOCI);
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

b) Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

c) Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

4.3.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

4.3.4 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

4.4 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

4.8 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over a period of 5 years in accordance with the requirements set out in the Trust Deed of the Fund.

4.9 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.10 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company receives redemption applications during business hours on that date. The redemption price represents NAV as on the close of business day, less any duties, taxes, charges on redemption and provision for transactions costs, if applicable.

4.11 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the period also includes portion of income already paid on units redeemed during the period.

Distributions declared subsequent to the period end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.12 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.13 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place;
- Profit on term deposit receipts and commercial papers is recognised on time proportion basis using the effective yield;
- Income on sukuk certificates is recognised on a time proportionate basis using the effective yield method except for the securities which are classified as non-performing asset under Circular 33 of 2012 issued by SECP for which the profits are recorded on cash basis;
- Income on bai muajjal is recognised on time proportion basis, the difference between the sale and the credit price is recognised over the credit period; and
- Profit on bank balances is recognised on an accrual basis.

4.14 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

4.15 Earnings per unit

Earnings per unit is calculated by dividing the net income for the period after taxation of the Fund by the weighted average number of units outstanding during the period.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

7 DEPOSIT, ADVANCE, PROFIT AND OTHER RECEIVABLES	Note	2023
		---- (Rupees) ----
Profit receivable on:		
Bank balances		67,769,049
Term deposit receipts		15,906,185
Short term sukuk certificates		60,705,680
		<u>144,380,914</u>
Advance tax	7.1	5,897,050
Other receivable		40,000
Security Deposit with Central Depository Company of Pakistan Limited - Trustee		100,000
		<u>150,417,964</u>

7.1 As per clause 47(B) of Part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to Collective Investment Schemes (CISs) are exempt from withholding tax under section 150 and 151. However, during the period ended June 30, 2023, withholding tax on dividend and profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on debt amounts to Rs. 5.897 million during the period.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other asset management companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund has been shown as advance tax as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

8 PRELIMINARY EXPENSES AND FLOATATION COSTS	Note	2023
		---- (Rupees) ----
Preliminary expenses and floatation costs incurred prior to commencement of operations	8.1	998,350
Less: amortised during the period		42,667
Balance as at period end		<u>955,683</u>

8.1 Preliminary expenses and flotation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulation and Notified Entities Regulation, 2008.

9 PAYABLE TO ALFALAH ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY

	Note	2023 ---- (Rupees) ----
Management remuneration payable	9.1	3,553,647
Sindh Sales Tax payable on management remuneration	9.2	461,973
Allocated expense	9.3	741,750
Sales load payable		613,500
Formation cost payable		998,350
Other Payable		170,000
		<u>6,539,220</u>

9.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration variably keeping in view the overall return and the total expense ratio limit of the Fund subject to the maximum limit of 1% of average annual net assets as disclosed in the offering document. However, the management has charged the 0.75% management fee of average annual net asset. The remuneration is paid to the Management Company on a monthly basis in arrears.

9.2 During the period, an amount of Rs. 769,765 was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011.

9.3 The SECP has allowed the Asset Management companies to charge allocated expense in all categories of open-end mutual funds up to a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged allocated expense at the rate of 0.092% (2022: Nil) to the Fund based on its direction subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

	Note	2023 ---- (Rupees) ----
10 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE		
Trustee remuneration payable	10.1	271,198
Sindh Sales Tax payable on Trustee remuneration	10.2	35,256
Central Depository Company System Payable		41,259
		<u>347,713</u>

10.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. During the period, the Trustee has charged remuneration at the rate of 0.055% per annum from April 14, 2023 till June 30, 2023 of average annual net assets of the Fund.

10.2 During the period, an amount of Rs. 58,480 was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011

	Note	2023 ---- (Rupees) ----
11 ANNUAL FEE PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN		
Annual fee payable	11.1	163,579

11.1 Under the provisions of the NBFC Regulations, a collective investment scheme is required to pay an annual fee to the SECP, an amount equal to 0.02% of the average annual net assets of the Fund.

		2023 ---- (Rupees) ----
12 ACCRUED EXPENSES AND OTHER LIABILITIES		
Auditors' remuneration payable		177,280
Listing fee payable		25,336
Brokerage expense payable		10,056

Sindh sales tax		13,132
		<u>177,280</u>
16 CASH AND CASH EQUIVALENTS		
Bank balances	5	5,465,038,008
Term deposit receipts (with original maturity of 3 months or less)		890,000,000
		<u>6,355,038,008</u>

17 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 0.23% which includes 0.03% representing government levies on the Fund such as sales taxes, federal excise duties, annual fee to the SECP etc. This ratio is within the maximum limit of 1.44% prescribed under the NBFC Regulations for a collective investment scheme categorised as a money market scheme.

18 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the NBFC Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders.

Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the period to the unit holders in the manner as explained above, therefore, no provision for taxation has been made in these financial statements.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

19 TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Related parties / connected persons include Alfalah GHP Investment Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee of the Fund, Limited, Bank Alfalah Limited, MAB Investment Incorporation, Bank Alfalah Limited - Employees' Provident Fund, Bank Alfalah Limited - Employees' Gratuity Fund and Alfalah GHP Investment Management Limited - Staff Provident Fund being the associates of the Management Company, Funds under management of the Management Company and directors and their close family members and key management personnel of the Management Company. Connected persons also includes any person beneficially owning directly or indirectly 10% or more of the units in the issue / net assets of the Fund.

21 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

21.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, profit rate risk and price risk.

21.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

21.1.2 Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The profit rate profile of the Fund's profit bearing financial instruments, as at June 30, 2023, is as follows:

	2023 ---- (Rupees) ----
Variable rate instruments (financial assets)	
Bank balances	5,465,038,008
Sukuk certificates	1,180,000,000
	<u>6,645,038,008</u>
Fixed rate instruments (financial assets)	
Term deposit receipts	890,000,000
	<u>890,000,000</u>

a) Sensitivity analysis for variable rate instrument

Presently, the Fund holds KIBOR based sukuk certificates and bank balances which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the period and net assets of the Fund would have been higher / lower by Rs 66.45 million. The analysis assumes that all other variables remain constant.

b) Sensitivity analysis for fixed rate instrument

The Fund does not have any investment in fixed rate instrument as of June 30, 2023 therefore it is not exposed to any fair value profit rate risk.

The composition of the Fund's investment portfolio, KIBOR rates and the rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Yield / profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

	2023					
	Effective yield / profit rate	Exposed to yield / profit risk			Not exposed to yield / profit rate risk	Total
		Upto three months	More than three months and up to one year	More than one year		
----- (Rupees) -----						
On-balance sheet financial instruments						
Financial assets						
Bank balances	6.15% to 20.50%	5,465,038,008	-	-	-	5,465,038,008
Investments:						
- Certificate of musharakah		-	-	-	-	-
- Certificate of mudarabah		-	-	-	-	-
- Term deposit receipts	20.45%	890,000,000	-	-	-	890,000,000
- Short term sukuk certificates	22.38% - 23.07%	-	1,180,000,000	-	-	1,180,000,000
Deposit, advance, profit and other receivables		-	-	-	144,520,914	144,520,914
Sub total		<u>6,355,038,008</u>	<u>1,180,000,000</u>	<u>-</u>	<u>144,520,914</u>	<u>7,679,558,922</u>
Financial liabilities						
Payable to Alfalah Asset Management Limited - Management Company		-	-	-	6,539,220	6,539,220
Payable to Central Depository Company of Pakistan Limited - Trustee		-	-	-	347,713	347,713
Accrued expenses and other liabilities		-	-	-	5,377,932	5,377,932
Sub total		<u>-</u>	<u>-</u>	<u>-</u>	<u>12,264,865</u>	<u>12,264,865</u>
On-balance sheet gap		<u>6,355,038,008</u>	<u>1,180,000,000</u>	<u>-</u>	<u>132,256,049</u>	<u>7,667,294,057</u>
Total interest rate sensitivity gap		<u>6,355,038,008</u>	<u>1,180,000,000</u>	<u>-</u>	<u>132,256,049</u>	<u>7,667,294,057</u>
Cumulative interest rate sensitivity gap		<u>6,355,038,008</u>	<u>7,535,038,008</u>	<u>7,535,038,008</u>		

20.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

21.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

21.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
(Rupees)		
Bank balances	5,465,038,008	5,465,038,008
Investments	2,070,000,000	2,070,000,000
Deposit, advance, profit and other receivables	144,520,914	144,520,914
	<u>7,679,558,922</u>	<u>7,679,558,922</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2023 is the carrying amount of the financial assets.

No financial assets were considered to be past due or impaired as at June 30, 2023.

21.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2023 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	2023
			% of financial assets exposed to credit risk
Dubai Islamic Bank	VIS	A-1+/AA	0.02%
Bank Al Habib	PACRA	A1+ / AAA	2.34%
Bank Alfalah Limited	PACRA	A1+ / AA+	53.47%
Faysal Bank Limited	PACRA	A1+ / AA	31.36%
United Bank Limited - Ameen	VIS	A-1+/AAA	12.81%
			<u>100.00%</u>

Above ratings are on the basis of available ratings assigned by PACRA and Vital Information Services (VIS) as of June 30, 2023.

Ratings of term deposit receipts, certificate of musharaka, certificate of mudarabah and sukuk certificates have been disclosed in related notes to financial statements.

21.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect the groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk as stated above, the Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

21.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets up to 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current period.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the period.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

2023						
Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial Instruments with no fixed maturity	Total
(Rupees)						
Financial assets						
Bank balances	5,465,038,008	-	-	-	-	5,465,038,008
Investments	-	1,160,000,000	910,000,000	-	-	2,070,000,000
Deposit, advance, profit and other receivables	128,514,729	-	-	-	100,000	128,614,729
	5,593,552,737	1,160,000,000	910,000,000	-	100,000	7,663,652,737
Financial liabilities						
Payable to Alfalah Asset Management Limited - Management Company	6,539,220	-	-	-	-	6,539,220
Payable to Central Depository Company of Pakistan Limited - Trustee	347,713	-	-	-	-	347,713
Accrued expenses and other liabilities	5,377,932	177,280	-	-	-	5,555,212
	12,264,865	177,280	-	-	-	12,442,145
Net financial assets	5,581,287,872	1,159,822,720	910,000,000	-	100,000	7,651,210,592

22 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

22.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023, the Fund held the following financial instruments measured at fair values:

At fair value through profit or loss

Term deposit receipts**

Short term sukuk certificates**

2023		
Level 1	Level 2	Level 3
(Rupees)		
-	890,000,000	-
-	1,180,000,000	-
-	-	-

During the year, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

23 UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;
- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the period.

24 SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

(iii) PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh - – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenure also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenure as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

Alfalah GHP Prosperity Planning Fund

Annual Fund Manager`s Report

Type of Fund

Open-end Scheme

Category of Fund

Fixed Return

Investment Objective

The investment objective of the Fund is to provide promised return to unit holders at maturity by investing in authorized investable avenues. Accomplishment of Objective

The Fund has achieved its objective of generating regular income by investing in low to mid duration fixed income instruments within the guidelines provided under NBFC rules.

Money Market Review:-

Pakistan is expected to post GDP growth of 0.29% during FY23 against 6.10% in FY22.

Inflation for FY23 averaged at 29.04%, mainly due to excessive devaluation of PKR resulting in higher domestic prices, including petrol and all other imports, while food prices increased relentlessly because of devastation caused by floods, while the expectation for FY24 is between 23%-24% till the high base effect kicks in latter half of FY24.

In response to rising inflationary pressures due to PKR devaluation and to control increased economic activity, the Central Bank hiked policy rate to 22% by 825bps from June 2022 (13.75% at June 30, 2022). Similar movement has been witnessed in secondary market yields as they have increased by average 8.14% for 1W to 12M tenor bills. While the overall yield curve is currently inverted reflecting market participants' expectations of decline in rates in the long term.

The next monetary policy is scheduled on July 31, 2023, where another hike in the policy rate cannot be ruled out as inflation is expected to remain elevated till Feb 2024, fueled by increase in utility tariffs and PKR devaluation

Fund Performance

During FY23, Alfalah Islamic Stable return Fund-Plan (AISRF) generated a return of 19.71% while the benchmark of the fund generated 20.75%.

Asset Allocation (as at 30 June 2023)

Credit Quality (as % of Total Assets)

TRUSTEE REPORT TO THE UNIT HOLDERS

ALFALAH ISLAMIC STABLE RETURN FUND

**Report of the Trustee pursuant to Regulation 41(h) and clause 8 of Schedule V of
the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited being the Trustee of Alfalah Islamic Stable Return Fund (the Fund) are of the opinion that Alfalah Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the period from June 07, 2023 to June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

SHARIAH REVIEW REPORT
ALFALAH GHP ISLAMIC STABLE RETURN FUND

We, the Shariah Advisors of the Alfalah GHP Islamic Stable Return Fund ('AISRF') managed by Alfalah Asset Management Limited, are issuing this report in accordance with the Trust Deed dated March 03, 2023 and Offering Document dated April 05, 2023 of the said Fund. The scope of the report is to express an opinion on the Shariah Compliance of the Fund's activities.

It is the responsibility of the Management Company of the said Fund to establish and maintain a system of internal controls to ensure compliance with issued Shariah guidelines. As Shariah Advisors, our responsibility is to express an opinion, based on our review of the representations made by the management, to the extent where such compliance can be objectively verified.

In the capacity of Shariah Advisors of the Fund, we have reviewed and given approval for investment in following avenues during the period from July 01, 2022 to June 30, 2023.

Investment Avenue
<i>Approved Shariah Compliant Government Securities</i>
<i>Term Deposit Receipts with Approved Islamic Banks</i>

We hereby certify that all the above-mentioned investments and all the provisions of the scheme made by the Fund are in compliance with the Shariah principles.

According to the instructions, if any income is earned by the Fund from the investments whereby a portion of income of such investment has been derived from prohibited sources, such proportion of income of the Fund should be donated to charitable purposes. However, during the year ended June 30, 2023, no such income is earned.

May Allah bless us with Tawfeeq to accomplish these cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

For and on behalf of Shariah Advisory Board.

Mufti Shaikh Noman
Shariah Advisor

Chief Executive Officer

INDEPENDENT AUDITOR'S REPORT

To the Unit Holders of Alfalah Islamic Stable Return Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alfalah Islamic Stable Return Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the period from June 07, 2023 to June 30, 2023, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the period from June 07, 2023 to June 30, 2023 in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (NAV) (Refer note 5 to the financial statements)	
	<p>Investments constitute the most significant component of the net asset value. The investments of the Fund as at June 30, 2023 amounted to Rs. 564.376 million.</p> <p>The existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">• Obtained independent confirmations for verifying the existence of the investment portfolio as at June 30, 2023 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; and• Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

For Alfalah Asset Management Limited
(formerly: Alfalah GHP Investment Management Limited)

Chief Executive Officer

Chief Financial Officer

Director

ALFALAH GHP ISLAMIC STABLE RETURN FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENT
FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Alfalah Islamic Stable Return Fund (the Fund) was established under a Trust Deed executed between Alfalah Asset Management Limited Company (formerly Alfalah GHP Investment Management Limited) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The offering document was executed on March 3, 2023 under Sindh Trusts Act, 2020 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Management Company has been granted license by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at A, Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd floor, Street 2, KDA Scheme 5 Block 9 Clifton, Karachi.
- 1.2** The Management Company of the Fund has been licensed to act as an Asset Management Company under the Non Banking Finance Companies Rules through a certificate issued by the SECP on February 23, 2023 which is valid for a period of three years w.e.f March 9, 2023. The registered office of the Management Company is situated at Islamic Chamber of Commerce, Industry & Agriculture Building, 2nd Floor, ST-2/A, Block 9, KDA Scheme 5, Clifton, Karachi.
- 1.3** The Fund is categorized as a Fixed Return Scheme pursuant to the provisions contained in Circular 7 of 2009 issued by the SECP and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.4** Alfalah Islamic Stable Return Fund (AISRF) is an Open-ended Shariah Compliant Fixed Return Fund that aims to generate returns on shariah compliant investments as per the respective Investment Plan by investing in avenues such as government securities, cash in bank account, Islamic money market placements, deposits, certificate of deposits, and certificate of musharaka.
- 1.5** The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2++ (stable outlook) to the Management Company on August 31, 2023.
- 1.6** Title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.
- 1.7** As per the offering document approved by the SECP, the accounting period, in case of the first such period, shall commence from the date on which the trust property is first paid or transferred to the Trustee. Accordingly, these financial statements have been prepared from June 7, 2023.
- 1.8** These are the first financial statements of the Fund for the period from June 7, 2023 to June 30, 2023 therefore, comparative figures have not been presented.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on June 7, 2023. However, these are considered either to be not relevant or to not have any significant impact on the Fund's financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not detailed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make estimates, judgments and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are revised on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a higher degree of judgement or complexity, or areas where estimates and assumptions are significant to the financial statements are as follows:

- Classification and valuation of financial assets (notes 3.2.2 and 5)
- Impairment of financial assets (note 3.2.2.1 and 3.2.3)

2.5 Accounting Convention

These financial statements have been prepared under the historical cost convention, except for investments measured 'at fair value through profit or loss' category which are stated at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistan Rupee, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and short term highly liquid investments with original maturity of three months or less which are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. The short term investments are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the "Income Statement".

3.2.2 Classification and subsequent measurement

3.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVTPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

3.2.3 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the "Income Statement".

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, considering the specific credit and financial condition of the debt security issuer and in accordance with the provisioning policy duly approved by the Board of Directors of the Management Company. The provisioning policy approved by the Board of Directors has also been placed on the Management Company's website as required under the SECP's Circular.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the "Income Statement".

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the "Income Statement".

3.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the "Statement of Assets and Liabilities" when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions, if any, are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of the operations of the Fund. These costs are being amortised over the period lower of 5 years or maturity of fund in accordance with the requirements set out in the Trust Deed of the Fund.

3.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors / Management Company during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load and any provision for duties and charges, if applicable. The sales load is payable to investment facilitators, distributors and the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors / Management Company receive redemption applications during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, and charges on redemption, if applicable.

3.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes a portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.10 Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed

Element of income represents the difference between net asset value per unit on the issuance or redemption date, as the case may be, of units and the net asset value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.11 Net asset value per unit

The Net Asset Value (NAV) per unit, as disclosed in the "Statement of Assets and Liabilities", is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.12 Revenue recognition

- Gains or losses arising on sale of investments classified as financial assets at 'fair value through profit or loss' are recognised in the "Income Statement" at the date on which the transaction takes place.
- Unrealised appreciation / diminution arising on remeasurement of investments classified at fair value through profit or loss are recorded in the period in which these arise.
- Income on Government of Pakistan ijara sukuks is recognised on a time proportionate basis using the effective yield method, except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by the SECP for which the profits are recorded on cash basis.
- Interest income on bank balances is recognised on an accrual basis.

3.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee to the SECP are recognised in the "Income Statement" on an accrual basis.

3.14 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

3.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the "Income Statement".

Selling and marketing expenses	8.3	5,915
		<u>423,165</u>

8.1 As per Regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management remuneration as disclosed in the Offering Document subject to the total expense ratio limit. Accordingly, the Management Company has charged its remuneration variably keeping in view the overall return and the total expense ratio limit of the Fund subject to the maximum limit of 1% of average annual net assets as disclosed in the offering document. The remuneration is paid to the Management Company on a monthly basis in arrears.

8.2 During the period, an amount of Rs. 48,002 was charged on account of sales tax on management remuneration levied through the Sindh sales tax on Services Act, 2011.

8.3 The SECP has allowed the Asset Management companies to charge selling and marketing expenses to all categories of open-end mutual funds upto a maximum limit approved by the Board of Directors of Management Company as part of annual plan.

Accordingly, Management Company has charged selling and marketing expenses to the Fund based on its discretion subject to not being higher than actual expense. The Board of Directors of the Management Company has also approved the annual plan for charging of selling and marketing expenses to the funds under the management of the Management Company.

19. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

19.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of the changes in market prices.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and the regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and price risk.

19.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

19.1.2 Yield / Interest rate risk

Yield / Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits. The interest rate profile of the Fund's interest bearing financial instruments, as at June 30, 2023, is as follows:

	2023 AISRP-I (Rupees)
Variable rate instruments (financial assets)	
Bank balances	1,161,634

a) Sensitivity analysis for variable rate instrument

A reasonably possible change of 100 basis points in profit rates at the reporting date would have increased / decreased the income statement and statement of comprehensive income by Rs 0.011616 million and consequently statement of movement in unit holders' fund would be affected by the same amount. The analysis assumes that all other variables remain constant.

	2023 AISRP-I (Rupees)
Fixed rate instruments (financial assets)	
GOP Ijara sukuks	564,376,188

b) Sensitivity analysis for fixed rate instrument

As at June 30, 2023, the Fund holds GOP Ijara sukuks which are classified as financial assets 'at fair value through profit or loss' exposing the Fund to fair value interest rate risk. In case of 100 basis points increase / decrease in interest rates announced by Government Of Pakistan and with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs. 5.643 million. The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet financial instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

Effective yield / interest rate	2023				Not exposed to yield / interest rate risk	Total
	Exposed to yield / interest risk					
	Upto three months	More than three months and up to one year	More than one year			
(Rupees)

Cumulative interest rate sensitivity gap		1,574,540	565,950,728	565,950,728		

19.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

19.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligations as it falls due.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. In addition, the risk is managed through assignment of credit limits and by following strict credit evaluation criteria laid down by the Management Company. The Fund does not expect to incur material credit losses on its financial assets.

19.2.1 Exposure to credit risk

The table below analyses the Fund's maximum exposure to credit risk:

	----- 2023 -----	
	Balance as per statement of assets and	Maximum exposure to credit risk
----- (Rupees) -----		
Bank balances	1,161,634	1,161,634
Investments	564,376,188	-
Profit receivable	14,422,110	14,422,110
	<u>579,959,932</u>	<u>15,583,744</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2023 is the carrying amount of the financial assets. Difference in the balance as per statement of assets and liabilities and maximum exposure to credit risk is due to the fact that investment in government Ijara Sukuk amounting to Rs. 564.376 million is not exposed to credit risk.

No financial assets were considered to be past due or impaired at June 30, 2023

19.2.2 Credit quality of financial assets

The Fund held bank balances as at June 30, 2023 with banks having following credit ratings:

Banks	Rating agency	Rating (Short Term / Long Term)	2023 % of bank balances exposed
Bank Al Habib Limited	PACRA	A1+ / AAA	100.00
			<u>100.00</u>

Above ratings are on the basis of available ratings assigned by PACRA as of June 30, 2023.

19.2.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Despite the high concentration of credit risk, the Fund has entered into transactions with credit worthy counterparties thereby mitigating any significant risk due to concentration of credit risk.

19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

	2023						Total
	Within one month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial Instruments with no fixed maturity	
	(Rupees)						
Financial assets							
Bank balances	1,161,634	-	-	-	-	-	1,161,634
Investments	-	-	564,376,188	-	-	-	564,376,188
Profit receivable	412,840	-	14,009,270	-	-	-	14,422,110
	1,574,474	-	578,385,458	-	-	-	579,959,932
Financial liabilities							
Payable to Alfalah Asset Management Limited - Management Company	423,165	-	-	-	-	-	423,165
Payable to Central Depository Company of Pakistan Limited - Trustee	22,550	-	-	-	-	-	22,550
Accrued and other liabilities	1,295,946	-	-	-	-	-	1,295,946
	1,741,661	-	-	-	-	-	1,741,661
Net financial assets	(167,187)	-	578,385,458	-	-	-	578,218,271

20. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the "Statement of Assets and Liabilities" date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023, the Fund held the following financial instruments measured at fair values:

	2023		
	Level 1	Level 2	Level 3
At fair value through profit or loss			
GOP Ijara Sukuks	-	564,376,188	-
	-	564,376,188	-

During the year ended June 30, 2023, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

21. UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund is an open end collective investment scheme. The unit holders' fund of open end schemes is represented by net assets attributable to unit holders. The risk in case of an open end scheme is that the amount of net assets attributable to unit holders can change significantly on daily basis as the Fund is subject to daily issuance and redemption of units at the discretion of the unit holders and occurrence of unexpected losses in investment portfolio which may cause adverse effects on the Fund's continuation as a going concern.

The Fund's objective when managing net assets attributable to unit holders is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders and to ensure reasonable safety of unit holders' fund. In order to maintain or adjust the unit holder fund structure, the Fund performs the following:

- Monitors the level of daily issuance and redemptions relative to liquid assets;

- Redeems and issues units in accordance with the constitutive documents of the Fund, which include the ability to restrict redemptions as allowed under the rules and regulations; and
- Monitors portfolio allocations and return on net assets and where required makes necessary adjustments in portfolio allocations in light of changes in market conditions.

The Fund Manager / Investment Committee members and the Chief Executive Officer of the Management Company critically monitor capital of the Fund on the basis of the value of net assets attributable to the unit holders and track the movement of "Assets under Management" as well as returns earned on the net assets to maintain investors' confidence and achieve future growth in business. Further, the Board of Directors is updated about the Fund's yield and movement of net asset value and total size at the end of each quarter.

In accordance with the NBFC Regulations, the Fund is required to distribute at least ninety percent of its income from sources other than capital gains as reduced by such expenses as are chargeable to the Fund.

Under the NBFC Regulations, the minimum size of an open end scheme shall be one hundred million rupees at all the times during the life of the scheme. The Fund has maintained minimum size of one hundred million rupees at all times during the period.

22. SUPPLEMENTARY NON FINANCIAL INFORMATION

The information regarding unit holding pattern of the Fund, top ten brokers of the Fund, members of the Investment Committee, fund manager, meetings of the Board of Directors as required under Schedule V of the NBFC Regulations has been disclosed in the Annexure to the financial statements.

23. CORRESPONDING FIGURES

Corresponding figures have been re-classified, re-arranged or additionally incorporated in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications were made in these financial statements.

23. GENERAL

Figures have been rounded off to the nearest rupee.

24. DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue on **25 August 2023** by the Board of Directors of the Management Company.

(iii) **PARTICULARS OF MEMBERS OF THE INVESTMENT COMMITTEE**

Following are the members of the Investment Committee of the Fund:

Mr. Khaldoon Bin Latif - CEO
Mr. Ayub Khoro – Chief Investment Officer
Mr. Noman Soomro - Chief Operating Officer
Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer
Mr. Muddasir Ahmed Shaikh - – Head of Equities
Mr. Mustafa Kamal - Head of Fixed Income
Mr. Shams-ud-din Shah - Head of Research
Mr. Omar Mukhtar – Head of Risk
Mr. Salman Jawaid - Fund Manager Fixed Income Fund
Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Khaldoon Bin Latif - CEO

Mr. Khaldoon has been associated with the capital markets for over 18 years, with both domestic and international experience providing a comprehensive blend. Prior to joining Alfalah Asset Management Limited Mr. Khaldoon was associated with Faysal Asset Management Limited as its Chief Executive Officer (CEO) and under his leadership, Faysal Asset Management has achieved significant growth during his tenure and transformed into major industry player. Earlier he was associated with BMA Asset Management Company Limited as its CEO, JS Investments Limited as its Chief Investment Officer (CIO) and KASB Funds Limited as its CEO. Before KASB Funds, he was the General Manager and Director of TSWLL Bahrain, a wholly owned subsidiary of TAIB Bank BSC, where he headed their brokerage, asset management, custody and advisory operations.

He has been a member of the Mutual Fund Association for over six years and has been the Vice Chairman from FY2021-22. He is also a non-executive director on a bank holding company out of Bahrain, IIBank LLC that has operations in Africa and Europe. He is a former board member of TRG and Pace Pakistan.

Mr. Latif also brings both buy and sell side exposure of domestic capital markets in Pakistan. Mr. Latif began his career on the sell side with AKD Securities Ltd in various capacities including Head of Foreign Institutional Sales and Equity Research in the capacity of Head of Research and Chief Economist. On the Buy side, Mr. Latif has worked with PICIC AMC as Head of Research and Product Development where his tenure also included active management of the PICIC Energy Fund. Mr. Latif is a LUMS Alumni and has done a number of capital market courses with CFA association, Daiwa, J.P. Morgan and Bahrain Institute of Banking and Finance (BIBF). He has also completed his Director Certification program from IBA.

Mr. Ayub Khoro – Chief Investment Officer

Prior to joining Alfalah, he was associated with Faysal Asset Management Limited as Chief Investment Officer. In his tenure at FAML he revamped the investment process, fund management teams and research department to significantly contribute to the company's unprecedented growth and to cater to the ever growing business needs and market dynamics.

Mr. Ayub has over 15 years of experience in banking / asset management industry in research, capital markets and fund management functions. He started his career with Pak Oman AMC in the research division before moving on to Faysal Bank Limited as Research Head in the Equity Capital Markets Division. At Faysal Bank, he was involved in managing the equity portfolio worth over USD 80mn and spearheading the research effort to provide in-depth advice and coverage across the capital markets for the Investment Committee. He was also involved in IPO's and private equity valuations for the bank.

Mr. Ayub has developed a unique understanding of equity, fixed income and money market investments. With the power to exercise all investment options for FAML, he has ensured that his investment decisions have encompassed both strategic and tactical asset allocations, implemented via thorough research and evaluation of historical performance of multiple asset classes and instruments.

Mr. Ayub holds a Bachelor's of Science (BSc Hons) degree in Economics from Lahore University of Management Sciences (LUMS).

Mr. Noman Soomro - Chief Operating Officer

Mr. Soomro is a qualified Chartered Accountant from the Institute of Chartered Accountant of Pakistan (ICAP). Prior to joining Alfalah GHP Investment Management Limited, he was Chief Financial Officer & Company Secretary of HBL Asset Management Limited for seven years. During his tenure as CFO, he was responsible for all financial and fiscal management aspects of Company operations and Mutual Funds/Pension Schemes under management of the Company. The job also included providing leadership and coordination in the administrative, business planning, strategy, accounting, taxation and budgeting efforts of the Company. Before HBL Asset Management Limited, he was working at A F Ferguson Chartered Accountants; a member firm of PricewaterhouseCoopers (PwC). During his five years at A.F Ferguson with the Assurance and Business Advisory Services of the firm, he conducted audits of major financial institutions of Pakistan including local and foreign commercial banks, mutual funds, modarbas, housing finance company and leasing companies. He was also a key member of the team which conducted pre-acquisition Financial and Taxation Due Diligence Review of a commercial bank in Pakistan. Mr. Soomro has also conducted Internal Audit reviews of a large commercial bank and a foreign bank, where the responsibilities included reporting on effectiveness and efficiency of internal audit department, and independent reporting on internal control weaknesses.

Mr. Shariq Mukhtar Hashmi – Chief Compliance Officer

Mr. Hashmi holds a diversified experience of over 11 years with various private sector enterprises of repute. He joined IGI Funds Limited (which subsequently merged into Alfalah GHP Investment Management Limited in Oct. 2013) in 2010 to lead the back office function as Head of Operations & Settlements. His association has continued, post-merger, as Head of Compliance & Risk Management. He has previously served National Asset Management Company as Head of Internal Audit and Feroze Sharif Tariq & Co Chartered Accountants in various capacities. He has also headed the Internal Audit Department of the Company. Mr. Hashmi is a qualified Accountant from the Association of Chartered Certified Accountants, UK and holds MBA degree in Finance from SZABIST University. He is also enrolled for Financial Risk Manager Certification of Global Association of Risk Professionals; USA.

Mr. Muddasir Ahmed Shaikh -- Head of Equities

Mr. Shaikh is heading the Equity Investments team at Alfalah Investments. He has been an integral part of the team since 2007 and holds about two decades of professional experience. He joined the Investment Management Industry in 2004, right after his graduation with an MBA degree. Over the years, he has served various public and private financial institutions of repute. He started his career as Research Analyst and has progressed over the year to higher levels in portfolio management.

Mr. Shaikh is an Alumni of the prestigious Institute of Business Administration, Karachi (IBA).

Mr. Mustafa Kamal - Head of Fixed Income

Mr. Mustafa Kamal has more than 18 years of work experience in the investment management profession out of which he has been associated with the Mutual Fund Industry for over 15 years. Prior to joining Alfalah Investments, he was working as a Chief Investment Officer with Pak Oman Asset Management Limited. Over the years, he has worked at companies like Askari Investments, National Fullerton Asset Management, Crescent Leasing & ORIX Investment Bank. He is an MBA with Majors in Finance.

Currently serving the company as a Head of Fixed Income Funds, Mr. Kamal is a key member of portfolio management team and a member of the investment committee for the mutual funds. During his career he has managed wide range of conventional and Islamic mutual funds schemes.

Mr. Shams-ud-din Shah - Head of Research

Mr. Shams is a CFA charter holder and member of ACCA. He holds +8 years of experience in financial service industry and has been associated with Alfalah since June 2017. He leads the Research Department and aptly covers Economy, Banks, Construction and Material sectors along with supervision and professional development of other research analysts in the team. His hard work, strong analytical skills and thorough understanding of the economy and sector dynamics have earned him recognition and rendered effective support to the Portfolio Management function.

Mr. Omar Mukhtar – Head of Risk

Mr. Mukhtar is the Head of Risk Management. He has remained part of the Board Risk & Investment Committees and has played an instrumental role in the establishment of the Risk Management, Enterprise Risk Management & Information Security framework for the organization. He brings with him an experience of over fifteen years in the field of Risk Management in the Mutual Funds Industry. Prior to becoming a part of the Alfalah Asset team, he was associated with UBL Funds Ltd in managing their Risk Management Function.

Mr. Mukhtar has done his MBA in Finance from Greenwich University and holds a BBA Honors degree. He is also a member of GARP (Global Association of Risk Professionals).

Mr. Salman Jawaid - Fund Manager Fixed Income Fund

Mr. Salman is managing the Fixed Income Funds at Alfalah Investments. He has almost more than 12 years of work experience in the Mutual Fund Industry precisely in the Fund Management Department. He is an MBA in Finance from the Institute of Business Management (IOBM) and also pursuing his education in the CFA program. Over the years, he has worked at National Investment Trust Limited (NIT) and Faysal Asset Management in the portfolio management department.

Mr. Anil Kumar - Jr. Fund Manager Equity Funds

Mr. Anil has over 3 years of well-rounded sectoral exposure in Investment Research and Fund Management. He was earlier associated as Research Analyst with Alfalah Investments, where he has actively covered Chemical Sector, Cement Sector, Pharmaceutical sector, Textile sector and has also identified many profitable investment ideas. Prior to joining Alfalah, he was associated with UBL Fund Managers and Darson Securities Limited. Anil has done Bachelors (BBA) from Iqra University with majors in Finance and is a CFA Level 3 candidate.

منی مارکیٹ

پاکستان کو مالی سال 22 میں 6.10 فیصد کے مقابلے میں مالی سال 23 کے دوران جی ڈی پی کی شرح نمو 0.29 فیصد متوقع ہے۔

مالی سال 23 کے لیے افراط زر کی اوسط 29.04% رہی، جس کی بنیادی وجہ پاکستانی روپیہ کی قدر میں حد سے زیادہ کمی ہے جس کے نتیجے میں پیٹرول اور دیگر تمام درآمدات سمیت مقامی قیمتیں بڑھ گئیں، جبکہ خوراک کی قیمتوں میں سیلاب کی وجہ سے ہونے والی تباہی کے باعث بہت زیادہ اضافہ ہو گیا، جب کہ مالی سال 24 کی توقع مالی سال 24 کی آخری ششماہی میں ہائی میں ایکٹ شروع ہونے تک 23%-24% کے درمیان ہے۔

پاکستانی روپیہ کی قدر میں کمی کی وجہ سے بڑھتے ہوئے افراط زر کے دباؤ کے جواب میں اور بڑھتی ہوئی معاشی سرگرمیوں کو کنٹرول کرنے کے لیے، مرکزی بینک نے جون 2022 سے پالیسی شرح کو 825bps تک بڑھا کر 22% کر دیا (30 جون 2022 کو 13.75%)۔ اسی طرح کی حرکت ثانوی مارکیٹ کی پیداوار میں دیکھی گئی ہے کیونکہ ان میں 1W سے 12M مدتی بلوں کے لیے اوسط 8.14% اضافہ ہوا ہے۔ جبکہ مجموعی پیداوار کا منفی خط اس وقت لانا ہے جو طویل مدتی شرحوں میں کمی کی مارکیٹ شرکاء کی توقعات کو ظاہر کرتا ہے۔

اگلی مائٹری پالیسی 31 جولائی 2023 کو شیڈول ہے، جہاں پالیسی ریٹ میں مزید اضافہ کو مسترد کیا جاسکتا ہے کیونکہ یٹیلیٹی ٹیرف میں اضافے اور پاکستانی روپیہ کی قدر میں کمی کے باعث افراط زر فروری 2024 تک بلند رہنے کی توقع ہے۔

آئی ایم ایف پروگرام نے ہمارے اقتصادی منصوبے کے لیے انتہائی ضروری یقینی اور یقین دہانی فراہم کی ہے۔ اس کی رہنمائی اور حمایت نے پائیدار نمو اور خوشحالی کی راہ کو مضبوط کیا ہے۔

آگے بڑھتے ہوئے، مالی سال 2024 کی آخری ششماہی میں مانیٹری زمی شروع ہونے کے بعد معاشی سرگرمیوں میں اضافہ متوقع ہے کیونکہ آئی ایم ایف کے تخمینے کے مطابق مالی سال 24 اور مالی سال 25 میں جی ڈی پی میں بالترتیب 2.5 فیصد اور 3.6 فیصد نمو کی توقع ہے جس میں سیلاب کی وجہ سے مندی والے سال سے بحالی کے بعد زراعت اہم کردار ادا کرے گی۔

آئی ایم ایف پروگرام کے مطابق پیٹرولیم مصنوعات اور یوٹیلیٹی ٹیرف میں ایڈجسٹمنٹ کے ساتھ، مالی سال 24 کے لیے افراط زر کی اوسط 23% - 24% کے درمیان متوقع ہے۔ افراط زر میں نرمی اور بتدریج کمی متوقع ہے، جس کی بنیادی وجہ پچھلے سال سے زیادہ بنیادی اثر ہے۔ تاہم، زیادہ ٹیکس اور بڑھتی ہوئی توانائی کی لاگت سمیت وہ اقدامات، جن کا مقصد آئی ایم ایف کے معاہدے کو محفوظ بنانا ہے، کسی حد تک افراط زر کے دباؤ میں حصہ ڈال سکتے ہیں۔

مانیٹری زمی سال کی آخری ششماہی میں شروع ہونے کی توقع ہے جس میں افراط زر 20% سے کم ہونے کی امید ہے۔

ایکویٹی مارکیٹ کا جائزہ

مالی سال 23 کے دوران، بیٹھ مارک انڈیکس زیادہ تر قلت رہا اور بگڑتے ہوئے معاشی اشاروں کی وجہ سے 0.21 فیصد کی معمولی منفی ریٹرن درج کرائی۔ سال کے دوران انڈیکس ریٹھ باؤنڈ رہی کیونکہ اگست 22 میں یہ 43,676 کی انتہائی سطح پر پہنچ گیا تھا، تاہم 41,453 پوائنٹس کی چٹائی سطح پر بند ہوا۔

میکرو اکنامک اشاروں میں گراؤت جیسے کہ الف) بہت زیادہ بلند افراط زر اور شرح سود کی وجہ سے معاشی سرگرمیوں میں سست روی؛ ب) غیر ملکی زرمبادلہ کے ذخائر کا کم ہونا اور بیرونی قرضوں کی بڑے پیمانے پر ادائیگیوں کی وجہ سے پاکستانی روپیہ کی گراؤت اور ج) قحط کے شکار آئی ایم ایف پروگرام کو دوبارہ شروع کرنے میں تاخیر، سرمایہ کاروں کے جذبات کی پستی اور اس کے نتیجے میں سرمایہ کار کم رسک مٹی مارکیٹ سرمایہ کاری کی طرف متوجہ ہونے پر مجبور ہو گئے۔

مالی سال 23 نومبر میں بیٹھ مارک انڈیکس میں کمپنیوں کی طرف سے درج کردہ ریکارڈ منافع کے باوجود، مذکورہ عوامل نے سرمایہ کاروں کو ایکویٹی مارکیٹ سے دور رکھا کیونکہ KSE-100 انڈیکس کا اوسط تجارتی حجم بھی 21% سالانہ سے کم ہو کر 90.65 ملین شیئرز پر آ گیا۔ پاور جنریشن اور فرنیٹائرز سیکٹرز نے انڈیکس میں سب سے زیادہ حصہ ڈالا، کیونکہ سرمایہ کاروں نے پاور سیکٹر میں مستحکم طلب، ڈیویڈنڈ کی زیادہ پیداوار اور امریکی ڈالر کی متوقع آمدنی والے شعبوں میں داخل ہو گئے، جبکہ گرین بیک کے برعکس پاکستانی روپیہ کی قدر میں بڑے پیمانے پر کمی کی وجہ سے فارماسیوٹیکلز نے انڈیکس میں سب سے زیادہ منفی حصہ ڈالا۔

مالی سال 23 میں غیر ملکی خالص خریدار رہے، کیونکہ خالص غیر ملکی آمدنی مالی سال 22 کے دوران 295 ملین امریکی ڈالر خالص اخراج کے مقابلے میں 4 ملین امریکی ڈالر رہی۔

آگے بڑھتے ہوئے، ہمارا خیال ہے کہ قحط کے شکار آئی ایم ایف پروگرام کی بحالی اور گراؤت حکومت کی، بگڑتے ہوئے معاشی استحکام کو برقرار رکھنے پر ہوگی، جس سے محتاط مالیاتی پالیسی کو یقینی، مالیاتی زوال سے بچاؤ اور مارکیٹ کی بنیاد پر شرح مبادلہ کو برقرار رکھا جائے گا۔ یہ اقتصادی منصوبے کے لیے انتہائی ضروری وضاحت اور یقین دہانی فراہم کرے گا۔

سازگار میکرو اکنامک نقطہ نظر یعنی گرتی ہوئی افراط زر شرح سود کی بلندی، ذخائر میں بہتری اور پاکستانی روپیہ کا استحکام، ایکویٹی مارکیٹ کے لیے ایک بہت بڑے بوسٹر کا کام کرے گا جو اس وقت تاریخی کم مٹھیلا (3.7x کی فارورڈ PE) پر تجارت کر رہی ہے، جس کے لیے اہم امکانات پیش کیے جا رہے ہیں۔ 2024 میں متوقع آمدنی میں دوہرے ہندسوں کی نمو کے ساتھ، ہم توقع کرتے ہیں کہ مقامی اسٹاک مارکیٹ مالی سال 24 میں مضبوط کارکردگی پیش کرے گی۔

ڈائریکٹرز کی یونٹ ہولڈرز کو رپورٹ برائے مختتمہ سال 30 جون 2023

بورڈ آف ڈائریکٹرز کی جانب سے، 30 جون 2023 کو ختم ہونے والے سال کے لئے میں الفلاح GHP اسلامک اسٹاک فنڈ (AGISTF)، الفلاح اسلامک اسٹیکل ریٹرن فنڈ پلان 1، الفلاح GHP اسلامک انکم فنڈ (AGIIF)، الفلاح GHP اسلامک پراسپیئرٹی پلاننگ فنڈ (AGIPPF)، الفلاح GHP اسلامک ڈیٹیکلیڈ ایکٹیو فنڈ (AGIDEF)، الفلاح GHP اسلامک ویلیو فنڈ (AGIVF)، الفلاح اسلامک روزانہ آمدنی فنڈ (AIRAF)، الفلاح اسلامک منی مارکیٹ فنڈ (AIMMF)، اور الفلاح GHP اسلامک پراسپیئرٹی پلاننگ فنڈ (AGIPPF-II CP 6) کے مالیاتی گوشوارے پیش کرتے ہوئے خوشی محسوس کرتا ہوں۔

معاشی جائزہ

حکومت نے مالی سال 22 میں 6.10 فیصد کے مقابلے میں مالی سال 23 کے لیے جی ڈی پی کی شرح نمو 0.29 فیصد رہنے کا تخمینہ لگایا ہے۔ جی ڈی پی نمو کم رہنے کی بنیادی وجہ الف (اقتصادی سرگرمیوں میں سست روی جو کہ مرکزی بینک کی طرف سے معیشت کی اوور ہیٹنگ پر قابو پانے اور تیزی سے کم ہوتے غیر ملکی زرمبادلہ کے ذخائر کو بچانے کے لیے درآمدی پابندیوں کی وجہ سے ہوئی اور ب) سیلابوں کی وجہ سے اہم زرعی فصلوں اور مویشیوں کی بڑے پیمانے پر تباہی، جس کے نتیجے میں بہت زیادہ افراط زر اور شرح سود میں اضافہ ہوا۔

درآمدات میں 27% کی کافی کمی نے بیرونی کھاتوں میں لیکجز کو کم کرنے میں مدد کی، جیسا کہ مالی سال 23 کے لیے کرنٹ اکاؤنٹ خسارہ 2.56 بلین امریکی ڈالر ہوا جو پچھلے سال کی اسی مدت میں 17.48 بلین امریکی ڈالر تھا (کافی حد تک 85% کمی ہوئی)۔ مزید برآں، ترسیلات زر، جو کہ سفری پابندیوں کے پس منظر میں ایک کلیدی معاون رہیں، مالی سال 23 میں رفتار کم ہونا شروع ہو گئی، کیونکہ ماہانہ ترسیلات زر کی اوسط مالی سال 22 میں 2.6 بلین امریکی ڈالر جبکہ رواں سال میں 2.2 بلین امریکی ڈالر رہی۔

بیرونی قرضوں کی بھاری ادائیگیوں کی وجہ سے، غیر ملکی زرمبادلہ کے ذخائر جون کے اختتام میں بڑے پیمانے پر کم ہو کر 9.18 بلین امریکی ڈالر ہو گئے جو پچھلے سال کے اختتام پر 15.45 بلین امریکی ڈالر تھے۔ زرمبادلہ کی شرح کو بہت زیادہ باؤ کا سامنا کرنا پڑا کیونکہ 30 جون 2022 کو پاکستانی روپے کی قدر 204.85 پاکستانی روپے سے تقریباً 28% کم ہو کر 285.99 پاکستانی روپے ہو گئی۔ مئی 2023 میں، پاکستانی روپیہ 298.93 کی ہمدوقی کم سطح پر آ گیا، تاہم، IMF پروگرام کو دوبارہ شروع کرنے پر اس نے کچھ بنیادیں بحال ہو گئیں۔ آگے بڑھتے ہوئے، پاکستانی روپیہ سالانہ بنیادوں پر 5%-6% کی نارمل سطح پر آ سکتا ہے کیونکہ دوست ممالک سے ممکنہ آمد اور ملٹی لیٹرنل پاکستانی روپیہ کی سلامتی کو کنٹرول میں رکھیں گے۔

مالی سال 23 کے لیے افراط زر کی اوسط 29.04% رہی، جس کی بنیادی وجہ پاکستانی روپیہ کی قدر میں حد سے زیادہ کمی ہے جس کے نتیجے میں پیڑول اور دیگر تمام درآمدات سمیت مقامی قیمتیں بڑھ گئیں، جب کہ سیلاب سے ہونے والی تباہی کی وجہ سے خوراک کی قیمتوں میں بہت زیادہ اضافہ ہوا۔

پاکستانی روپیہ کی قدر میں کمی کی وجہ سے بڑھتے ہوئے افراط زر کے باوجود کے جواب میں اور بڑھتی ہوئی معاشی سرگرمیوں کو کنٹرول کرنے کے لیے، مرکزی بینک نے جون 2023 سے پالیسی شرح کو 825bps تک بڑھا کر 22% کر دیا (30 جون 2022 کو 13.75%)۔

مالیاتی معاذ پر گزشتہ سال کے مقابلے میں مالی سال 23 میں ٹیکس ریونیو میں 16 فیصد کا شاندار اضافہ ہوا ہے، جبکہ ایف بی آر کے ہدف میں 6 فیصد کمی رہی۔ مالی سال 22 کے ٹیکس ریونیو بریک اپ کے مطابق، براہ راست ٹیکس ریونیو میں 43 فیصد کا اضافہ ہوا ہے، جبکہ ڈیوٹی ٹیکس اور سیلز ٹیکس سمیت بالواسطہ ٹیکسوں میں 1 فیصد کا اضافہ ہوا ہے جس کی بنیادی وجہ درآمدات میں کمی ہے۔ مزید برآں، سیلاب سے متعلقہ زیادہ مارک اپ اخراجات اور بحالی کے اخراجات کے نتیجے میں مالیاتی خسارہ مالی سال 23 کے لیے جی ڈی پی کے 7.7 فیصد تک پہنچ گیا ہے جو کہ گزشتہ سال کی اسی مدت کے لیے 7.9 فیصد تھا۔

جولائی 2023 میں، پاکستان نے آئی ایم ایف کے ساتھ اسٹینڈ بائی معاہدہ کیا، جس میں 9 ماہ کے عرصے میں 3 بلین امریکی ڈالر کی مالی امداد، جبکہ 1.2 بلین امریکی ڈالر کی ابتدائی تقسیم شامل ہے۔ مزید برآں، ملک کو سعودی عرب اور متحدہ عرب امارات سمیت اپنے دو طرفہ شرائط داروں سے 3 بلین امریکی ڈالر کی مالی مدد بھی حاصل ہوئی، جبکہ مالی سال 24 میں واجب الادا ادائیگیوں کا 150% ادا ہونے کی توقع ہے۔ آئی ایم ایف کے معاہدے کے ساتھ ساتھ ان آمدورفت کے نتیجے میں جون 2023 میں ایف ایس کے ذخائر 4.4 بلین امریکی ڈالر سے بڑھ کر 8.2 بلین امریکی ڈالر ہو گئے ہیں اور یہ دو طرفہ اور کثیر جہتی ایجنسیوں سے مزید رقم کو رافٹ کرنے کی صلاحیت رکھتا ہے جو بالآخر مالی سال 24 میں واجب الادا بیرونی قرضوں کی ادائیگی کے انتظام میں ملک کی مدد کرے گا۔
